Mechanical Engineering	Seminar on Summer Training	2018-19	NOT REVISED	In this subject we give a seminar on what we learned in the summer training	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship Skill 4mcRXPX.pdf
Mechanical Engineering	Theory of Vibration	2018-19	NOT REVISED	In this subject, we study to predict the vibrational behaviour of a machine and, where possible, to compensate it.	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship Skill 4mcRXPX.pdf
Mechanical Engineering	Auto Mobile Engineering	2018-19	NOT REVISED	In this subject, we study about automobile design, manufacturing, modification and maintenance	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship Skill 4mcRXPX.pdf
Mechanical Engineering	Turbo Machinery	2018-19	NOT REVISED	In this subject, we study about the components, types, designing and analysis of turbomachines	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship Skill 4mcRXPX.pdf
Mechanical Engineering	Mechatronic System Design	2018-19	NOT REVISED	In this subject, we study the design of controlled motion systems by the integration of functional elements	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship Skill 4mcRXPX.pdf
Mechanical Engineering	Reliability and Maintenance Engineering	2018-19	NOT REVISED	In this subject, we study the reliability of machines to prevent failure and maintenance to fix them	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship Skill 4mcRXPX.pdf
Mechanical Engineering	Composite Materials	2018-19	NOT REVISED	In this subject, we study about the composite materials which can be used as a replacement for traditional materials	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship Skill 4mcRXPX.pdf
Mechanical Engineering	Material Characterization Techniques	2018-19	NOT REVISED	In this subject, we study the structure of material, its macroscopic properties, and its technological applications	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship Skill 4mcRXPX.pdf

Mechanical Engineering	Advanced Machining Processes	2018-19	NOT REVISED	In this subject, we study about the material removing processes different from conventional machining processes	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship_Skil_4mcrXFX.pdf	
Mechanical Engineering	Micro and Precision Manufacturing	2018-19	NOT REVISED	In this subject, we study about the techniques to attain special manufacturing requirements, such as precision machining and micro	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship_Skil_4mcrXFX.pdf	
Mechanical Engineering	Industrial Automation	2018-19	NOT REVISED	Industrial automation is a crucial part of modernizing a facility's industrial capabilities	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship_Skil_4mcrXFX.pdf	
Mechanical Engineering	Engineering Design Methodology	2018-19	NOT REVISED	Design methodology encourages innovative ideas and collaborative thinking to work through each proposed idea and arrive at the best solution	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship_Skil_4mcrXFX.pdf	
Mechanical Engineering	Finite Element Methods in Engineering	2018-19	NOT REVISED	In this subject, we study about the Finite Element Methods in heat transfer, fluid mechanics and solid mechanics	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship_Skil_4mcrXFX.pdf	
Mechanical Engineering	Fracture, Fatigue And Failure Analysis	2018-19	NOT REVISED	In this subject, we study the Griffith's theory of brittle failure, Irwin's stress intensity factors, microscopic theories of failure.	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship_Skil_4mcrXFX.pdf	
Mechanical Engineering	Metal Forming and Theory Of Plasticity	2018-19	NOT REVISED	In this subject, we study stress and strain behaviour, stress equilibrium and virtual work	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship_Skil_4mcrXFX.pdf	
Mechanical Engineering	Energy Conservation and Waste Heat Recovery	2018-19	NOT REVISED	In this subject, we study about total energy approach, recovery and utilization of waste heat and thermoeconomic optimization	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship_Skil_4mcrXFX.pdf	
Mechanical Engineering	Advanced Thermodynamics	2018-19	NOT REVISED	In this subject, we study about entropy, statistical thermodynamics and kinetic theory of gases	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship_Skil_4mcrXFX.pdf	
Mechanical Engineering	PRINCIPLE OF MANAGEMENT	2018-19	NOT REVISED	In this subject, we study about the various principles of management which helps in industrial management	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship_Skil_4mcrXFX.pdf	
Mechanical Engineering	ANALYSIS AND SYNTHESIS OF MECHANISM	2018-19	NOT REVISED	In this subject, we learn the graphical and analytical techniques commonly used in the synthesis of mechanisms and also to simplify mechanism for analysis	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship_Skil_4mcrXFX.pdf	
Mechanical Engineering	GAS DYNAMICS AND JET PROPULSION	2018-19	NOT REVISED	In this subject, we study about the effects of compressibility in gas flow and jet and rocket propulsion	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship_Skil_4mcrXFX.pdf	
Mechanical Engineering	OPTIMIZATION IN ENGINEERING DESIGN	2018-19	NOT REVISED	In this subject, we study mathematical formulation of a design problem to support selection of the optimal design among many alternatives	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship_Skil_4mcrXFX.pdf	
Mechanical Engineering	MICROPROCESSORS IN AUTOMATION	2018-19	NOT REVISED	In this subject, we study about structure, program and coding of microprocessors used in automation	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship_Skil_4mcrXFX.pdf	
Mechanical Engineering	CRYOGENIC ENGINEERING	2018-19	NOT REVISED	In this subject, we study about low temperatures, materials in low temperatures and cryogenic storages	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship_Skil_4mcrXFX.pdf	
Mechanical Engineering	SUPPLY CHAIN MANAGEMENT	2018-19	NOT REVISED	In this subject, we study about analytical and critical understanding & skills for planning, designing and operations of supply chain	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship_Skil_4mcrXFX.pdf	
Mechanical Engineering	INTELLECTUAL PROPERTY RIGHTS	2018-19	NOT REVISED	This course introduces the student to the basics of Intellectual Property Rights, Copy Right Laws Trade Marks and issues related to Patents and to help	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship_Skil_4mcrXFX.pdf	
Mechanical Engineering	MAINTENANCE MANAGEMENT	2018-19	NOT REVISED	The students shall be able to understand basic maintenance terms and know methods and techniques for planning, scheduling, carry out and analyze	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship_Skil_4mcrXFX.pdf	
Mechanical Engineering	Engineering Mechanics	2019-20	NOT REVISED	In this subject, we study about the forces and free body diagrams	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship_Skil_P97RRDy.pdf	
Mechanical Engineering	Engineering Mechanics Lab	2019-20	NOT REVISED	In this subject, we perform experiments to study about forces	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship_Skil_P97RRDy.pdf	
Mechanical Engineering	Engineering Graphics	2019-20	NOT REVISED	This subject provides students an opportunity to enhance their capability of imagination and lateral thinking	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship_Skil_P97RRDy.pdf	
Mechanical Engineering	Workshop Technology & Practices	2019-20	NOT REVISED	This subject equips the students with knowledge, skills, and attitudes that enable to perform basic workshop tasks	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship_Skil_P97RRDy.pdf	
Mechanical Engineering	Mechanics of Solid-I	2019-20	REVISED	In this subject, we study the deformation and motion of beams and bars under the action of forces.	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship_Skil_P97RRDy.pdf	http://new.ggu.ac.in/attachments/attachments/AOAC-document-dump/07282022042930_Criteria_1.1.2-List of New Courses_Introdu_m0FwT10.pdf

MECHANICAL ENGINEERING

Mechanical Engineering	Fluid Mechanics Lab	2019-20	REVISED	In this subject, we experimentally study the behavior of fluid under various forces and at different atmospheric conditions	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship Skill P97RRDy.pdf	http://new.ggu.ac.in/attachments/attachments/ZDAC-document-dump/07282022042930.Criteria.1.1.2.List.of.New.Courses.Introdu_m0FwT10.pdf
Mechanical Engineering	Dynamics of Machine Lab	2019-20	REVISED	In this subject, we experimentally study about motions and forces in machine components	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship Skill P97RRDy.pdf	http://new.ggu.ac.in/attachments/attachments/ZDAC-document-dump/07282022042930.Criteria.1.1.2.List.of.New.Courses.Introdu_m0FwT10.pdf
Mechanical Engineering	Machine Design-I	2019-20	NOT REVISED	In this subject, we study the fundamentals of designing the most commonly used parts, elements and joints of various machines.	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship Skill P97RRDy.pdf	
Mechanical Engineering	Mechanics of Solid-II	2019-20	NOT REVISED	In this subject, we study the deformation and motion of solid materials under the action of forces.	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship Skill P97RRDy.pdf	
Mechanical Engineering	Fluid Machinery	2019-20	NOT REVISED	In this subject, we study about the machines that convert energy with the help of a fluid	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship Skill P97RRDy.pdf	
Mechanical Engineering	Internal Combustion Engine	2019-20	NOT REVISED	In this subject, we study about IC engines which are important in automobile and automotive industries	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship Skill P97RRDy.pdf	
Mechanical Engineering	Industrial Engineering	2019-20	NOT REVISED	In this subject, we study about the most effective ways to use the basic resources to make a product or provide a service	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship Skill P97RRDy.pdf	
Mechanical Engineering	Dynamics of Machine	2019-20	NOT REVISED	In this subject, we study about motions and forces in machine components	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship Skill P97RRDy.pdf	
Mechanical Engineering	Machine Design-II	2019-20	NOT REVISED	In this subject, we study about the fatigue failure in machine components	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship Skill P97RRDy.pdf	
Mechanical Engineering	Heat & Mass Transfer	2019-20	NOT REVISED	In this subject, we study about the thermal management and thermal control for industrial applications	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship Skill P97RRDy.pdf	
Mechanical Engineering	Manufacturing Science-II	2019-20	NOT REVISED	In this subject, we study about machine tools and machining processes	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship Skill P97RRDy.pdf	
Mechanical Engineering	Seminar	2019-20	NOT REVISED	In this subject, we study about seminars and how to give them	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship Skill P97RRDy.pdf	
Mechanical Engineering	Power Plant Engineering	2019-20	NOT REVISED	In this subject, we study about the power plants and their components and working	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship Skill P97RRDy.pdf	
Mechanical Engineering	Refrigeration & Air Conditioning	2019-20	NOT REVISED	In this subject, we study about different refrigeration cycles and psychrometry for air conditioning process	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship Skill P97RRDy.pdf	
Mechanical Engineering	CAD-CAM	2019-20	NOT REVISED	In this subject, we study about the designing and manufacturing of parts with the help of computer	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship Skill P97RRDy.pdf	
Mechanical Engineering	Refrigeration & Air Conditioning Lab	2019-20	NOT REVISED	In this subject, we study about different refrigeration cycles with the help of experiments	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship Skill P97RRDy.pdf	
Mechanical Engineering	Minor Project	2019-20	NOT REVISED	This subject strengthens the understanding of fundamentals through effective application of theoretical concepts.	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship Skill P97RRDy.pdf	
Mechanical Engineering	Seminar on Summer Training	2019-20	NOT REVISED	In this subject we give a seminar on what we learned in the summer training	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship Skill P97RRDy.pdf	
Mechanical Engineering	Theory of Vibration	2019-20	NOT REVISED	In this subject, we study to predict the vibrational behaviour of a machine and, where possible, to compensate it.	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship Skill P97RRDy.pdf	
Mechanical Engineering	Auto Mobile Engineering	2019-20	NOT REVISED	In this subject, we study about automobile design, manufacturing, modification and maintenance	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship Skill P97RRDy.pdf	
Mechanical Engineering	Turbo Machinery	2019-20	NOT REVISED	In this subject, we study about the components, types, designing and analysis of turbomachines	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship Skill P97RRDy.pdf	
Mechanical Engineering	Theory of Vibration	2019-20	NOT REVISED	In this subject, we study to predict the vibrational behaviour of a machine and, where possible, to compensate it.	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship Skill P97RRDy.pdf	
Mechanical Engineering	Machine Design Practical	2019-20	NOT REVISED	In this subject, we study 3D modelling, surface modelling and graph plotting in CAD software	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship Skill P97RRDy.pdf	
Mechanical Engineering	Computer Aided Design	2019-20	NOT REVISED	We study this subject to enable the development, modification, and optimization of the design processes using CAD software.	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship Skill P97RRDy.pdf	
Mechanical Engineering	Mechatronics	2019-20	NOT REVISED	This subject provides knowledge about growing fields like nanotechnology, automation, robotics and biomechanics	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship Skill P97RRDy.pdf	
Mechanical Engineering	Mechatronic System Design	2019-20	NOT REVISED	In this subject, we study the design of controlled motion systems by the integration of functional elements	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship Skill P97RRDy.pdf	
Mechanical Engineering	Reliability and Maintenance Engineering	2019-20	NEW COURSE	In this subject, we study the reliability of machines to prevent failure and maintenance to fix them	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship Skill P97RRDy.pdf	
Mechanical Engineering	Composite Materials	2019-20	NOT REVISED	In this subject, we study about the composite materials which can be used as a replacement for traditional materials	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship Skill P97RRDy.pdf	
Mechanical Engineering	Material Characterization Techniques	2019-20	NOT REVISED	In this subject, we study the structure of material, its macroscopic properties, and its technological applications	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship Skill P97RRDy.pdf	
Mechanical Engineering	Advanced Machining Processes	2019-20	NOT REVISED	In this subject, we study about the material removing processes different from conventional machining processes	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship Skill P97RRDy.pdf	

Mechanical Engineering	Micro and Precision Manufacturing	2019-20	NOT REVISED	In this subject, we study about the techniques to attain special manufacturing requirements, such as, precision machining and micro	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship_Ski_P97RRDy.pdf	
Mechanical Engineering	Industrial Automation	2019-20	NOT REVISED	Industrial automation is a crucial part of modernizing a facility's industrial capabilities	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship_Ski_P97RRDy.pdf	
Mechanical Engineering	Engineering Design Methodology	2019-20	NOT REVISED	Design methodology encourages innovative ideas and collaborative thinking to work through each proposed idea and arrive at the best solution.	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship_Ski_P97RRDy.pdf	
Mechanical Engineering	Finite Element Methods in Engineering	2019-20	NOT REVISED	In this subject, we study about the Finite Element Methods in heat transfer, fluid mechanics and solid mechanics	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship_Ski_P97RRDy.pdf	
Mechanical Engineering	Fracture, Fatigue and Failure Analysis	2019-20	NOT REVISED	In this subject, we study the Griffith's theory of brittle failure, Irwin's stress intensity factors, microscopic theories of failure	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship_Ski_P97RRDy.pdf	
Mechanical Engineering	Metal Forming and Theory Of Plasticity	2019-20	NOT REVISED	In this subject, we study stress and strain behaviour, stress equilibrium and virtual work	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship_Ski_P97RRDy.pdf	
Mechanical Engineering	Energy Conservation and Waste Heat Recovery	2019-20	NOT REVISED	In this subject, we study about total energy approach, recovery and utilization of waste heat and thermoeconomic optimization	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship_Ski_P97RRDy.pdf	
Mechanical Engineering	Advanced Thermodynamics	2019-20	NEW COURSE	In this subject, we study about entropy, statistical thermodynamics and kinetic theory of gases	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship_Ski_P97RRDy.pdf	http://new.ggu.ac.in/attachments/attachments/DOAC-document-dump/0728202061147_1.2.1-2019-20_List_of_New_Courses_Introduc_Xyfo0s.pdf
Mechanical Engineering	Engineering Mechanics	2020-21	NOT REVISED	In this subject, we study about the forces and free body diagrams	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship_Ski_ZVjivN.pdf	
Mechanical Engineering	Engineering Mechanics Lab	2020-21	NOT REVISED	In this subject, we perform experiments to study about forces	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship_Ski_ZVjivN.pdf	
Mechanical Engineering	Engineering Graphics	2020-21	NOT REVISED	This subject provides students an opportunity to enhance their capability of imagination and lateral thinking	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship_Ski_ZVjivN.pdf	
Mechanical Engineering	Workshop Technology & Practices	2020-21	NOT REVISED	This subject equips the students with knowledge, skills, and attitudes that enable to perform basic workshop tasks	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship_Ski_ZVjivN.pdf	
Mechanical Engineering	Mechanics of Solid-I	2020-21	NOT REVISED	In this subject, we study the deformation and motion of beams and bars under the action of forces.	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship_Ski_ZVjivN.pdf	
Mechanical Engineering	Kinematics of Machine	2020-21	NOT REVISED	In this subject, we study the velocity and acceleration of machines	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship_Ski_ZVjivN.pdf	
Mechanical Engineering	Engineering Thermodynamics	2020-21	NOT REVISED	In this subject, we study matter and conversion of energy into heat and work	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship_Ski_ZVjivN.pdf	
Mechanical Engineering	Business Communication and Presentation Skill	2020-21	NOT REVISED	In this subject, we study to communicate effectively in the workplace	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship_Ski_ZVjivN.pdf	
Mechanical Engineering	Fluid Mechanics	2020-21	NOT REVISED	In this subject, we study about the machines that convert energy with the help of a fluid	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship_Ski_ZVjivN.pdf	
Mechanical Engineering	Dynamics of Machine	2020-21	NOT REVISED	In this subject, we study to predict the vibrational behaviour of a machine and, where possible, to compensate it.	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship_Ski_ZVjivN.pdf	
Mechanical Engineering	Machine Drawing	2020-21	NOT REVISED	In this subject, we study about the fatigue failure in machine components	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship_Ski_ZVjivN.pdf	
Mechanical Engineering	Manufacturing Science-I	2020-21	NOT REVISED	In this subject, we study how manufacturing takes place, to research and develop tools, and processes	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship_Ski_ZVjivN.pdf	
Mechanical Engineering	Fluid Mechanics Lab	2020-21	NOT REVISED	In this subject, we experimentally study the behavior of fluid under various forces and at different atmospheric conditions	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship_Ski_ZVjivN.pdf

Mechanical Engineering	Manufacturing Science-II	2020-21	NOT REVISED	In this subject, we study about machine tools and machining processes	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship_Ski_ZVjivN.pdf	
Mechanical Engineering	Measurement Metrology and Control	2020-21	NOT REVISED	This subject allows us the understanding of traceability, accuracy, precision, systematic bias, and the evaluation of measurement uncertainty	http://new.ggu.ac.in/attachments/attachments/department/1.1.3/List of Courses Focus on Employability Entrepreneurship_Ski_ZVjivN.pdf	

Mechanical Engineering	Machine Design-II	2020-21	NOT REVISED	In this subject, we study about the fatigue failure in machine components	http://new.ggu.ac.in/attachments/attachments/department/1.1.3 List of Courses Focus on Employability Entrepreneurship Ski ZVjivN.pdf	
Mechanical Engineering	Operations Research	2020-21	NOT REVISED	In this subject, we study to scientifically decide how to best design and operate man-machine systems under different conditions	http://new.ggu.ac.in/attachments/attachments/department/1.1.3 List of Courses Focus on Employability Entrepreneurship Ski ZVjivN.pdf	
Mechanical Engineering	Power Plant Engineering	2020-21	NOT REVISED	In this subject, we study about the power plants and their components and working	http://new.ggu.ac.in/attachments/attachments/department/1.1.3 List of Courses Focus on Employability Entrepreneurship Ski ZVjivN.pdf	
Mechanical Engineering	Refrigeration & Air Conditioning	2020-21	NOT REVISED	In this subject, we study about different refrigeration cycles and psychrometry for air conditioning process	http://new.ggu.ac.in/attachments/attachments/department/1.1.3 List of Courses Focus on Employability Entrepreneurship Ski ZVjivN.pdf	
Mechanical Engineering	CAD-CAM	2020-21	NOT REVISED	In this subject, we study about the designing and manufacturing of parts with the help of computer	http://new.ggu.ac.in/attachments/attachments/department/1.1.3 List of Courses Focus on Employability Entrepreneurship Ski ZVjivN.pdf	
Mechanical Engineering	Refrigeration & Air Conditioning Lab	2020-21	NOT REVISED	In this subject, we study about different refrigeration cycles with the help of experiments	http://new.ggu.ac.in/attachments/attachments/department/1.1.3 List of Courses Focus on Employability Entrepreneurship Ski ZVjivN.pdf	
Mechanical Engineering	Minor Project	2020-21	NOT REVISED	This subject strengthens the understanding of fundamentals through effective application of theoretical concepts	http://new.ggu.ac.in/attachments/attachments/department/1.1.3 List of Courses Focus on Employability Entrepreneurship Ski ZVjivN.pdf	
Mechanical Engineering	Seminar on Summer Training	2020-21	NOT REVISED	In this subject we give a seminar on what we learned in the summer training	http://new.ggu.ac.in/attachments/attachments/department/1.1.3 List of Courses Focus on Employability Entrepreneurship Ski ZVjivN.pdf

Mechanical Engineering	Turbo Machinery	2020-21	NOT REVISED	In this subject, we study about the components, types, designing and analysis of turbomachines	http://new.ggu.ac.in/attachments/attachments/department/1.1.3 List of Courses Focus on Employability Entrepreneurship Ski ZVjivN.pdf	
Mechanical Engineering	Indian Knowledge System-I	2021-22	NOT REVISED	to promote interdisciplinary research on all aspects of IKS, preserve and disseminate IKS for further research and societal applications.	http://new.ggu.ac.in/attachments/attachments/department/1.1.3 List of Courses Focus on Employability Entrepreneurship Skill toDkI7T.pdf	
Mechanical Engineering	Applied Thermodynamics	2021-22	NOT REVISED	thermodynamics are essential for other fields of physics and for chemistry, chemical engineering, corrosion engineering, aerospace engineering	http://new.ggu.ac.in/attachments/attachments/department/1.1.3 List of Courses Focus on Employability Entrepreneurship Skill toDkI7T.pdf	
Mechanical Engineering	Additive Manufacturing	2021-22	NOT REVISED	Additive manufacturing has revolutionized the industrial and manufacturing sector due to its speed, efficiency, and accurate production of	http://new.ggu.ac.in/attachments/attachments/department/1.1.3 List of Courses Focus on Employability Entrepreneurship Skill toDkI7T.pdf	
Mechanical Engineering	Soft Computing	2021-22	NOT REVISED	Soft Computing provides rapid dissemination of important results in soft computing foundations, methodologies and applications. It	http://new.ggu.ac.in/attachments/attachments/department/1.1.3 List of Courses Focus on Employability Entrepreneurship Skill toDkI7T.pdf	
Mechanical Engineering	Management Information System	2021-22	NOT REVISED	Scope of Management Information Systems (MIS) Management Information System (MIS) is a system designed in order to study people, technology	http://new.ggu.ac.in/attachments/attachments/department/1.1.3 List of Courses Focus on Employability Entrepreneurship Skill toDkI7T.pdf	
Mechanical Engineering	Solar Energy	2021-22	NEW COURSE	Generation of solar energy has tremendous scope in India. The geographical location of the country stands to its benefit for generating solar	http://new.ggu.ac.in/attachments/attachments/department/1.1.3 List of Courses Focus on Employability Entrepreneurship Skill toDkI7T.pdf	http://new.ggu.ac.in/attachments/attachments/DOAC-document-dump/0823202123344_1.2.1-2021-22_List_of_New_Courses_Introduc_IM6qcmTdf
Mechanical Engineering	Research Methodology & IPR	2021-22	NEW COURSE	The scope of the study refers to the boundaries within which your research project will be performed; this is sometimes also called the scope of	http://new.ggu.ac.in/attachments/attachments/department/1.1.3 List of Courses Focus on Employability Entrepreneurship Skill toDkI7T.pdf	http://new.ggu.ac.in/attachments/attachments/DOAC-document-dump/0823202123344_1.2.1-2021-22_List_of_New_Courses_Introduc_IM6qcmTdf
Mechanical Engineering	Design of Thermal Systems	2021-22	NEW COURSE	Thermal engineers are required in the industries/companies that manufactures heat exchangers, A.C.s, Refrigerator, etc. They can also work in thermal noise	http://new.ggu.ac.in/attachments/attachments/department/1.1.3 List of Courses Focus on Employability Entrepreneurship Skill toDkI7T.pdf	http://new.ggu.ac.in/attachments/attachments/DOAC-document-dump/0823202123344_1.2.1-2021-22_List_of_New_Courses_Introduc_IM6qcmTdf
Mechanical Engineering	Noise, Vibrations and Harshness	2021-22	NEW COURSE	Noise, vibration, and harshness (NVH), also referred to as noise and vibration (N&V), is the study and adjustment of noise and vibration characteristics in	http://new.ggu.ac.in/attachments/attachments/department/1.1.3 List of Courses Focus on Employability Entrepreneurship Skill toDkI7T.pdf	http://new.ggu.ac.in/attachments/attachments/DOAC-document-dump/0823202123344_1.2.1-2021-22_List_of_New_Courses_Introduc_IM6qcmTdf
Mechanical Engineering	Computational Fluid Dynamics	2021-22	NEW COURSE	The scope of applications of CFD thus seem to be wide in the engineering disciplines of aeronautical/ aerospace, automobile, mechanical, chemical	http://new.ggu.ac.in/attachments/attachments/department/1.1.3 List of Courses Focus on Employability Entrepreneurship Skill toDkI7T.pdf	http://new.ggu.ac.in/attachments/attachments/DOAC-document-dump/0823202123344_1.2.1-2021-22_List_of_New_Courses_Introduc_IM6qcmTdf

PG	Sustainable Forest Management in Changing World	2021-22	REVISED	Students will be enriched with new ideas of sustainability. They will include concept of sustainability in all future plan work.	http://www.new.ggu.ac.in/attachments/attachments/department/important-link/2020-21_1_MSC_coloured.pdf
PG	Urban Forestry	2021-22	REVISED	Student can work under the smart city plan and urban city development projects.	http://www.new.ggu.ac.in/attachments/attachments/department/important-link/2020-21_1_MSC_coloured.pdf
PG	Dissertation	2021-22	REVISED	Students can be able to make research projects and get jobs in research lab, projects.	http://www.new.ggu.ac.in/attachments/attachments/department/important-link/2020-21_1_MSC_coloured.pdf
PG	Field Training (Attachment with State Forest Department for	2021-22	NOT REVISED	To study the medicinal and aromatic plants diversity, their conservation and domestication. Study the felling and logging operations, timber lots and	http://www.new.ggu.ac.in/attachments/attachments/department/important-link/2020-21_1_MSC_coloured.pdf
UG	Introductory Organic Farming Principles	2021-22	REVISED	Course will enrich students with significant knowledge of organic farming. Student will be able to perform their own aromatic products	http://www.new.ggu.ac.in/attachments/attachments/department/Organic_farming_new_colour.pdf
UG	Organic Agronomical Practices	2021-22	REVISED	Student will learn how to produce organic products and cultivation methods. Students can provide the services as organic farm developers.	http://www.new.ggu.ac.in/attachments/attachments/department/Organic_farming_new_colour.pdf
UG	Nursery Technology	2021-22	REVISED	Students can strat their own commercial nursery for permanent source of income.	http://www.new.ggu.ac.in/attachments/attachments/department/Organic_farming_new_colour.pdf
UG	Soil and Water Management	2021-22	REVISED	Students can work in soil research lab and also able to perform work in watershed mission. Subject will develop the skills in students to determine the	http://www.new.ggu.ac.in/attachments/attachments/department/Organic_farming_new_colour.pdf
UG	Plant Protection and Bio-pesticides	2021-22	REVISED	Subject will develop the skills in manufacturing biopesticides and herbicides also. Student can work in organic product based industries.	http://www.new.ggu.ac.in/attachments/attachments/department/Organic_farming_new_colour.pdf
UG	Farm Machinery	2021-22	REVISED	Subject will make students to be expert in all field based instrumentation used in organic farming. They also can develop the new machines or instruments used	http://www.new.ggu.ac.in/attachments/attachments/department/Organic_farming_new_colour.pdf
UG	Orchard Farming	2021-22	REVISED	Subject will provide the opportunity to students in developing horticulture orchards. Students can get jobs in horticulture department.	http://www.new.ggu.ac.in/attachments/attachments/department/Organic_farming_new_colour.pdf
UG	Basics of Plant Genetics and Plant Breeding	2021-22	REVISED	Students will be able to develop new varieties of crops. Subject will provide opportunity in genetics and plant breeding fields.	http://www.new.ggu.ac.in/attachments/attachments/department/Organic_farming_new_colour.pdf
UG	Organic Farming Startups and Entrepreneurship	2021-22	REVISED	Subject will develop the entrepreneur skills in students. They will be able to get job in marketing and trading fields as well as they can work in fertilizer.	http://www.new.ggu.ac.in/attachments/attachments/department/Organic_farming_new_colour.pdf
UG	Biodynamic Farming	2021-22	REVISED	Biodynamic farming course is a based on disease and pest control of crop through the organic products. Student can develop their own products and sale in	http://www.new.ggu.ac.in/attachments/attachments/department/Organic_farming_new_colour.pdf
UG	Carbon Neutral Farming	2021-22	REVISED	Students will be able to introduce organic products through neutral farming. They can start their own business.	http://www.new.ggu.ac.in/attachments/attachments/department/Organic_farming_new_colour.pdf
UG	Urban Farming and Terrace Gardening	2021-22	REVISED	Student can provide services as garden planner in the urban areas.	http://www.new.ggu.ac.in/attachments/attachments/department/Organic_farming_new_colour.pdf
UG	Soil, Water and Seed Testing	2021-22	REVISED	Students will be able to work in the different soil, water and seed testing labs.	http://www.new.ggu.ac.in/attachments/attachments/department/Organic_farming_new_colour.pdf
UG	Fundamentals of Agroforestry	2021-22	REVISED	After completion of the course, the students will be able to develop understanding about the concept of agriculture and agroforestry, plantation.	http://www.new.ggu.ac.in/attachments/attachments/department/Organic_farming_new_colour.pdf
UG	Floriculture	2021-22	REVISED	After completion of the course, the students will be able to develop understanding about the concept of floriculture. The student will also be	http://www.new.ggu.ac.in/attachments/attachments/department/Organic_farming_new_colour.pdf
UG	Residue Management Practices and Manure Production	2021-22	REVISED	The student will be able to understand the various ways of solid waste management and acquired knowledge of conservation of different method of	http://www.new.ggu.ac.in/attachments/attachments/department/Organic_farming_new_colour.pdf
UG	Climatology and Meteorology	2021-22	REVISED	Students will enable to know the relationship of organic crops with environment in different conditions. They will acquire knowledge of weather	http://www.new.ggu.ac.in/attachments/attachments/department/Organic_farming_new_colour.pdf
UG	Sericulture Technology	2021-22	REVISED	On completion of this course, the students will be able to understand the concept of sericulture and different rearing practices of silkworm in various	http://www.new.ggu.ac.in/attachments/attachments/department/Organic_farming_new_colour.pdf
UG	Vegetable Farming	2021-22	REVISED	Student will be able to understand the knowledge of organic vegetable cultivation, harvesting and marketing. They can be able to cultivate vegetable.	http://www.new.ggu.ac.in/attachments/attachments/department/Organic_farming_new_colour.pdf
UG	Medicinal & Aromatic Plants Farming	2021-22	REVISED	After completion of this course the student will be able to accrued knowledge about different medicinal and aromatic plants, their cultivation and processing.	http://www.new.ggu.ac.in/attachments/attachments/department/Organic_farming_new_colour.pdf
UG	Harvesting Organic Produce, Quality Analysis and Improvement	2021-22	REVISED	Students may be able to learn about the different harvesting techniques, quality analysis and post harvest quality improvement. This course help them for	http://www.new.ggu.ac.in/attachments/attachments/department/Organic_farming_new_colour.pdf

UG	Post-Harvest management and Value Addition	2021-22	REVISED	Student may able to learn about the post-harvest handling and value addition of organic crops. They learn about the various method of preservation and	http://www.new.ggu.ac.in/attachments/attachments/departement/Organic_farming_new_colour.pdf	
UG	Biostatistics	2021-22	REVISED	Students can be calculate to quality and quantity production of crop	http://www.new.ggu.ac.in/attachments/attachments/departement/Organic_farming_new_colour.pdf	
UG	Genetic Engineering and Transgenic Plants	2021-22	REVISED	Students will be help in research and development, research work should be conducted and kept under proper care by the students	http://www.new.ggu.ac.in/attachments/attachments/departement/Organic_farming_new_colour.pdf	
UG	Organic Certification	2021-22	REVISED	Students will be aware of policies for the development and certification of organic products and national standards for those products and processes.	http://www.new.ggu.ac.in/attachments/attachments/departement/Organic_farming_new_colour.pdf	
UG	Mushroom Technology	2021-22	REVISED	Students will be know about cultivation of mushroom low land investment and up coming source of alternative income for many	http://www.new.ggu.ac.in/attachments/attachments/departement/Organic_farming_new_colour.pdf	
UG	Apiculture Technology	2021-22	REVISED	Study in the fields of beekeeping, bee-behaviour will increase the scope for commercial rearing of healthy bee colonies and ancillary	http://www.new.ggu.ac.in/attachments/attachments/departement/Organic_farming_new_colour.pdf	
UG	Farming operation Work Experience (Report Writing, Presentation, Viva)	2021-22	REVISED	Students will be able to perform as farming management in private land.	http://www.new.ggu.ac.in/attachments/attachments/departement/Organic_farming_new_colour.pdf	
UG	Institute and Industrial visit/training (Report Writing, Presentation, Viva)	2021-22	REVISED	The students will be able to work in raw materials management, its processing techniques and its best industrial utilization and the agriculture based.	http://www.new.ggu.ac.in/attachments/attachments/departement/Organic_farming_new_colour.pdf	
UG	Dissertation writing, Presentation, Viva- Voce	2021-22	REVISED	Students will able to work in different research labs.	http://www.new.ggu.ac.in/attachments/attachments/departement/Organic_farming_new_colour.pdf	
UG	Biostatistics	2020-21	NOT REVISED	It helps students to learn the applications of statistical analysis, design and sampling, research data analysis and interpretation.	http://www.new.ggu.ac.in/attachments/attachments/departement/Important-link/2020-21_B.Sc.coloured.pdf	
UG	Forest Surveying and Engineering	2020-21	NOT REVISED	Graduate students will be able to develop forest inventory, survey and yield assessment/ skill development/ research as well as they can work in	http://www.new.ggu.ac.in/attachments/attachments/departement/Important-link/2020-21_B.Sc.coloured.pdf	
UG	Forest Policy, Legislation & Environmental Act	2020-21	NOT REVISED	This subject develop understanding about forest policy, laws and Environmental Act. Enables the students to be able to manage the forest with the	http://www.new.ggu.ac.in/attachments/attachments/departement/Important-link/2020-21_B.Sc.coloured.pdf	
UG	World forestry Systems	2020-21	NOT REVISED	This course enhance students ability to understand the world forest distribution pattern and their proper utilization by the forest based industries. Also enables	http://www.new.ggu.ac.in/attachments/attachments/departement/Important-link/2020-21_B.Sc.coloured.pdf	
UG	Fundamentals of Extension Education	2020-21	NOT REVISED	It helps students to learn lab to land the applications of the subject in Forestry which have direct bearing on	http://www.new.ggu.ac.in/attachments/attachments/departement/Important-link/2020-21_B.Sc.coloured.pdf	
UG	Entrepreneurship Development	2020-21	NOT REVISED	Subject will develop skills in students to bear risk with confidence to run own business.	http://www.new.ggu.ac.in/attachments/attachments/departement/Important-link/2020-21_B.Sc.coloured.pdf	
UG	Socio Economic Survey-Village Attachment (report writing, presentation, Viva)	2020-21	NOT REVISED	It will help students to grab career opportunities in the field survey, Research, skill development, speech and writing skill which will help them to get	http://www.new.ggu.ac.in/attachments/attachments/departement/Important-link/2020-21_B.Sc.coloured.pdf	
UG	Forest Operation Work Experience (report writing, presentation, Viva)	2020-21	NOT REVISED	It helps student to grab career opportunity as and can generate self employment.
