Dear Sir/Ma'am,

Greetings from the National Skill Development Corporation (NSDC), New Delhi.

The Ministry of Skill Development & Entrepreneurship (MSDE), Govt. of India, is implementing the flagship skill development scheme of Government of India - Pradhan Mantri Kaushal Vikas Yojana 4.0 (PMKVY 4.0).

With the roll-out of the National Education Policy (NEP) in 2020, there has been a renewed focus on vocational skill training imparted by schools and higher education institutes, thus integrating mainstream academics with practical vocational skill training.

NSDC had circulated an online form to aggregate demand, and your University has expressed interest to participate in PMKVY 4.0. Accordingly, your institution, Guru Ghasidas vishwavidyalaya has been allocated **2310 targets** for implementing training under PMKVY4.0.

We are starting handholding initiatives through capacity building workshops in parallel for the benefit of all participants. A schedule of such workshops shall be shared with you upon receiving your willingness and Job Role wise demand. Some key highlights in terms of scheme contours, course offerings, etc. is shared below for your ready reference. You may like to write to skillhub@nsdcindia.org and @Karthik Nair for any queries.

Regards,

PMKVY 4.0 Target Allocation Team
