In the campus of Guru Ghasidas Vishwavidyalaya, Bilaspur, various computing facilities are provided to students, faculty and staff. These facilities are listed below:

2.2 INFORMATION COMMUNICATION TECHNOLOGY AND COMPUTATIONAL FACILITIES (COMPUTER CENTRE)/IUMS

The University has established an advanced Computer Centre equipped with the latest versions of hardware, machines and software such as Desktop (50-Dual Core and i5), Laser Printer B/W (04), Scanners(04), Hub & Switches, LCD Projectors, Visual Studio 2008, Ms Office 2007, SQL Server 2005, Win Server ENT 2003, Win Server 2003 R2, Office Pro 2003, Media. The department of CSIT of this University is fully utilizing the services of Computer Center as their only laboratory. Computer Center provides Computing Facility to MCA, M.Sc. (CS) and 5-Year UG/PG Integrated B.Sc.(Computer Science) Students for their practical. The Computer Center also offers its services to students of other departments such as Physical Education, Pharmacy etc. particularly UG-PG Integrated students of other departments. The Computer Centre provides central computational facilities to assist teaching, research, administration, examination, finance and other important tasks of the University. The Computer Centre provides facility to arrange presentation, Lectures, Seminars/Conference, MCA/ MSc. Project / Ph.D. Presentation with LCD projector from time to time. At present 50 nodes are connected on the network and internet facility and Wi-Fi facility is being provided to students, faculty, staff and research scholars.

Website maintenance

The Computer Centre maintains the official Website of the University (www.ggu.ac.in) which was hosted in 2005. The Web site now contains more than 600 pages. Website of Guru Ghasidas Vishwavidyalaya is in Bilingual form (Hindi/English). The Center updates the information received from various departments/Sections of University at the earliest time.

“Employee Search” facility is also available in our website for University Employees. The Official Website of Vishwavidyalaya is hosted on NIC server. The website is updated regularly with all information related to Admission, Tender, Time Table, Examination, Recruitment, Photo Gallery, Students Activities etc. Our website follows almost all the norms of Guidelines for Indian Government Websites (GIGW).

Arranging live telecast of events broadcast from Government of India

From time to time, national level webcast programmes are conducted and the Guru Ghasidas Vishwavidyalaya arranges to telecast those programmes to all students and staff at its campus. The video conferencing and other interactive events released by the Ministry of HRD, and others are also conducted where University's authorities participated in the events. The existing NKN facility is used for internet service. On 11th September 2017, the address of Hon'ble Prime Minister was telecast in the University. On 13th September 2017, a video conferencing event of vice chancellors of all the Central Universities with the Minister of HRD was arranged in this University.

Digital and Cashless Transaction

In order to move towards the national mission of Digital India, along with other activities as mentioned here, the University also initiated to receive all payments online or through swipe machines. The admission, semester and all types of fees from students are successfully collected digitally using various banks or IUMS services available in the University.

Internet facilities in the GGV campus

Internet facility is provided through NMEICT (National Mission on Education through Information & Communication Technology) / NKN (National Knowledge Network) Project in GGV campus since October 2012. Industry standard Copper and Optic Fiber cabling & Network products of a proper LAN infrastructure (within 20-25 k.m distance) consist of Router, Switches, Firewall, Access Points that covers all buildings with 460 node points in core locations along with large number of nodes (more than 3000) inside and outside of the various buildings and available for 24x7 internet facilities to all. The Campus LAN is based on the layered approach which provides scalable Network with minimum downtime which is maintainable by NKN and FMC by BSNL.

The University has launched free Wi-Fi facility in the campus under the Campus-Connect project of Ministry of Human Resource Development (MHRD), Government of India in the year 2017. The University campus is now Wi-Fi campus covering both academic and hostel, guest house buildings of the campus. The Wi-Fi services are used to provide 24x7 internet facilities to students, officers, teachers and staff members. This project is implemented in two phases. In first phase National Informatics Centre Services Incorporated (NICSI) had taken care of passive work of the project through Wipro and in the second phase RailTel Corporation of India Ltd. is taking care of active part of the Wi-Fi services in the Campus. More than 250 access points have been installed in the different buildings of university.

Integrated University Management System (IUMS)

An E-governance initiative for online integrative academic, administrative & financial processes:

In order to transform the campus environment from conventional to smart ICT enabled online digital campus, an Integrated University Management System (IUMS) has been developed for the University by Indian Telephone Industries (ITI).

The following modules are currently activated under IUMS:

- Financial Accounting, takes care of all financial accounting related work of our university.
- Academic & Fee Module offers online services for admissions, enrolment, student databases, course structures etc
- Examinations Module creates database of all enrolled students, their records, of examinations, result processing, etc.
- HRMS Modules offers all processes related to employees for establishment section.
- Employee's Portal provides online access to the employees to their service related information such as salary, pay slip, service book and offers services such as leave applications, loans, advances, etc to be requested online.
- Guest House takes care of guest house room allotment, room availability and related work.
- Student Portal is separate portal for University registered students. It provides several facilities to students like student profile, subject registration, subject card, result, teacher feedback, online challan / fee payment etc.
- RTI Modules tracks and processes all RTI related applications and keeps records of such applications including the action taken on each one.
- Legal Module Provides online access to all legal cases and the status of each case related to the University.
- Hostel Module takes care of student hostel allotment related work like availability, allotment, fee, student
- Court Cases Monitoring System (Legal) provides all legal cases history record management and related MIS
- Asset / Bill Management provides facilities to store and finance section to bill payment related work and related MIS.
- Inventory provides facilities to store section related work.
- Pre Admission takes care of new students (VET & VRET) admission process in separate portal as per notification all admission related information like brochure, notification, advertisement, details of seats, policy, new student registration, on line form submission with on line payment facility, course wise roll number generation, all type of related report information are available.
- Medical Bill Using this page, user can save or update Doctor name, Treatment fees and Hospital name define by the management. User can generate the list of hospital type which is used as drop down in hospital master.

- Vehicle : The user can create and manage the master data entry & configuration and view the reports.
- DMS : Document Management System, provides uploaded files (Circular, Guideline etc.) to users.
- Vice Chancellor Office Management System.
- FMS File management and tracking system.

2.3 HUMAN RESOURCE DEVELOPMENT CENTRE

About The Centre

UGC-Academic Staff College is renamed to UGC-Human Resource Development Centre (HRDC) in 2015 and Implementable from 01 February, 2015. UGC-Academic Staff College

Participants and Officials in a UGC-HRDC organised course

(ASC) was established on the lush green campus of Guru Ghasidas Vishwavidyalaya (A Central University) on 27th March, 2009 to cater to in-service training programmes for the faculty in various disciplines and plays a crucial role in the holistic development of teachers. The training programmes viz., Orientation programme, Refresher courses, Short term courses, Interaction programmes, Workshops, Seminars are regularly organized as per the guidelines of UGC, New Delhi. HRDC has excellent Class rooms with Audio-Visual, Internet and Multimedia facilities; create an ambient environment for interactive

learning. State of the art Information Communication Technology (ICT) Laboratory with high speed internet facilities further provide opportunities for participants to learn the soft skills by hands on training from time to time during programmes. HRDC has its own library with 533 numbers of book and digital resources to meet the needs of resource persons and participants.

The Central library of the University also extends facilities of INFLIBNET, Science Direct, e-resources, books and journals to HRDC. We are having good facilities of guest house, medical and transport. Eminent academicians and researchers are invited as resource person for delivering lectures in the training programmes in addition to the senior faculty of the Vishwavidyalaya. The highly motivated faculty, state of the art facilities, excellent logistics and ambience are the strengths of our HRDC and key to the successful organisation of quality programmes.
