2.2 INFORMATION COMMUNICATION TECHNOLOGY AND COMPUTATIONAL FACILITIES (COMPUTER CENTRE)/ IUMS

The University has established an advanced Computer Centre equipped with the latest versions of hardware, machines and software such as Desktop (50-i5), Laser Printer B/W (04), Scanners (04), Hub & Switches, LCD Projectors, Visual Studio 2008, Ms Office 2007, SQL Server 2005, Win Server ENT 2003, Win Server 2003 R2, Office Pro 2003, Media. The department of CSIT of this University is fully utilizing the services of Computer Centre as their only laboratory. Computer Centre provides Computing Facility to MCA, M.Sc.(Computer Science) and 5-Year UG/PG Integrated B.Sc.(Computer Science) Students for their practical. The Computer Centre also offers its services to students of other departments such as Physical Education, Pharmacy etc. particularly UG-PG Integrated students of other departments. The Computer Centre provides

central computational facilities to assist teaching/ non-teaching departments of the University. The Computer Centre provides facility to arrange Presentation, Lectures, Seminars/ Conference, MCA/ MSc. Project presentation, Ph.D. Presentation with LCD projector from time to time. At present 50 nodes are connected on the network and internet facility and Wi-Fi facility is being provided to students, faculty, staff and research scholars.

Website maintenance

The Computer Centre maintains the official Website of the University (www.ggu.ac.in) which was hosted in 2005. The Web site now contains more than 800 pages. Website of Guru Ghasidas Vishwavidyalaya is in Bilingual form (Hindi/English). The Center updates the information received from various departments/Sections of University at the earliest time. "Employee Search" facility is also available in our website for University Employees. The Official Website of Vishwavidyalaya is hosted on NIC server. The website is updated regularly with all information related to Admission, Tender, Time Table, Examination, Recruitment, Photo, Students Activities etc. Our website follows almost all the norms of Guidelines for Indian Government Websites (GIGW).

NMEICT Project /NKN Internet Service and Wi-Fi Service

The University NMEICT Project have two L3 Switches (01+01 new=02), fifty three L2 Switches (36+17 new=53) , 01 UTM firewall & 440 nodes and with the help of NKN Internet Services regarding annual report (National Knowledge Network) it provided to all users in the Campus of Guru Ghasidas Vishwavidyalaya at a good internet speed (1Gbps) and therefore all users (students, faculties & staff) are able to download their documents from Websites, watch YouTube lecture or communicate to others at faster speed. It saves their valuable times. Using NKN Internet services, University has launched IUMS services in the University. Video Conferencing and Telecast of the speeches of Hon'ble Visitors, The Prime Minister, The Minister of the MHRD and other functions are conducted using NKN at various core locations in the campus of the University for Users. The official website www.ggu.ac.in is maintained by the University itself. Using NKN facilities upload & maintenances related to website are executed promptly by the University.

The Wi-Fi services have come at core locations of the University in the year of 2012-13. In the year of 2017-18, The MHRD Wi-Fi services are provided at all locations of the University campus. Wi-Fi facility has been provided free of cost to all the students (6624 no. of students), faculties & staff. NKN serves as the backbone for the Wi-Fi services.

Arrangement of live telecast of events broadcasted from Government of India

Important National level webcast programmes were conducted time to time and the IT Cell arranges to telecast those programmes to all students and staff at its campus. The video conferencing and other interactive events released by the Ministry of HRD, and others are also conducted where University's authorities participated in the events. The existing NKN facility is used for internet service. Important programmes like Hon'ble Prime Minster's address on the topic "**Pariksha-Pe-Charcha**" and "**Fit for India** " have also been telecasted in the University. Besides these, time to time MHRD meetings, PMMMMNIT, HEFA meetings etc. have also been conducted through video conferencing systems. INTEGRATED UNIVERSITY MANAGEMENT SYSTEM (IUMS)

An E-governance initiative for online integrative academic, administrative & financial processes

In order to transform the campus environment from conventional to smart ICT enabled online digital campus, an Integrated University Management System (IUMS) has been developed for the University by Indian Telephone Industries (ITI). It was inaugurated by Prof. Ved Prakash, Chairman, UGC on 20-4-2013. The system has been executed for making academic and administrative processes online and automatic including smart class rooms. Many of the 21 modules which were designed under IUMS are activated. These modules are executed after data/server room was prepared as per specifications for installation of the IUMS. The admission process for the session has been done successfully. Some of the IUMS modules are as follows.

The following modules are currently activated under IUMS:

- Financial Accounting: It takes care of all financial accounting related work of our university.
- Academic & Fee Module: Offers online services for admissions, enrolment, student databases, course structures etc
- Examinations Module: Creates database of all enrolled students, their records, of examinations, result processing, etc. with new CBCS scheme.
- HRMS Modules: All processes related to employees for establishment section.
- Employee's Portal: provides online access to the employees to their service related information such as salary, pay slip, service book and offers services such as leave applications, loans, advances, etc to be requested online.

- Guest House: It takes care of guest house room allotment, room availability and related work.
- Student Portal: It is separate portal for University registered students. It provides several facilities to students like student profile, subject registration, subject card, result, teacher feedback, online challan / fee payment etc..
- RTI Modules: tracks and processes all RTI related applications and keeps records of such applications including the action taken on each one.
- Legal Module: Provides online access to all legal cases and the status of each case related to the University.
- Hostel: It takes care of student hostel allotment related work like availability, allotment, fee, student
- Court Cases Monitoring System (Legal): It provides all legal cases history record management and related MIS
- Asset / Bill Management: It provides facilities to store and finance section to bill payment related work and related MIS.
- Inventory: It provides facilities to store section related work.
- Pre Admission: It takes care of (VET & VRET) admission process in separate portal as per notification. All admission related informations like brochure, notification, advertisement, details of seats, policy, new student registration, on line fee submission , course wise roll number generation, all type of related report information are available.
- Medical Bill: Using this page, user can save or update Doctor Name, Treatment fees and Hospital name define by the management. User can generate the list of hospital type which is used as dropdown in hospital master.
- Vehicle: The user can create and manage the master data entry & configuration and view the reports.
- DMS: Document Management System, it provides uploaded files (Circular, Guideline etc.) to users.
- VC Office: VC Office management.
- FMS: File management and tracking system
- Event: In this module user has rights to create and manage Event Details, Resource Person Details and Event Registration Details etc.
- User Management: It manages all user rights.

With the keen and active support from the Vice Chancellor, the stakeholders including University teachers, officers, employee and students have been asked to use IUMS for MIS and to move as early as possible to realize the goal of paperless University.

2.3 HUMAN RESOURCE DEVELOPMENT CENTRE

ABOUT THE CENTRE- UGC-Academic Staff College was renamed to UGC-Human Resource Development Centre (HRDC) in 2015 and Implementable from 01 February, 2015. UGC-Academic Staff College (ASC) was established on the lush green campus of Guru Ghasidas Vishwavidyalaya (A Central University) on 27th March, 2009 to cater to in-service training
