Prof. Alok Kumar Chakrawal, Vice-chancellor stressed on the importance of getting NAAC accreditation as per the Quality mandate of UGC. He appealed to all non-accredited affiliated colleges and different universities to start preparations for applying for NAAC accreditation. He focused on achieving a nationally acceptable accreditation as an indicator of quality systems is not only desirable but essential too. Accreditation is beneficial to all Higher Educational Institutions (HEIs), students, employers, faculty, parents, alumni and nation. NAAC plays a vital role in the assessment of quality of education matching with the internationally known best practices.

The workshop comprised of three technical sessions conducted by highly experienced advisors of NAAC. Inaugural session was followed by High Tea and involved Interaction among the participants and the speakers. It was followed by first technical session on “Overall Assessment and Accreditation of NAAC IIQA” by Dr. Ruchi Tripathi, Assistant Advisor NAAC.

This session covered the criteria wise discussion on various quality assessment parameters as per NAAC SSR and IIQA reports. This was followed by Lunch Break.

The second technical session was conducted by Dr. Leena Gahene, Deputy Advisor, NAAC on the theme “Briefing of SSR and DVV”. This session presented the step by step process of going for NAAC accreditation including the parameters, their weights IIQA, SSR, methodology of filling the data, eligibility, minimum marks requirement, fee submission, DVV, etc.

The last session was on “SSS and peer team visit and logistics” by Dr. Neelesh Pandey, Assistant Advisor, NAAC. This session covered the Student Satisfaction Survey (SSS) and highlighted the importance of SSS. He mentioned that for the student’s survey twenty objective questions and one subjective question may be emailed both in English as well as in local language if necessary. He also spoke about Peer Team Visit (PTV). Number of days of visit, number of experts necessary was made known. About the logistics he said that logistics of the PTM is taken care by NAAC and Institution. Finally he talked about the declaration of result and validity of accreditation.

The queries regarding various issues, problems faced, and the process of accreditation were duly answered by all the technical speakers at the end of every session to the satisfaction of the participants. The programme ended at 5:30 PM with a vote of thanks by Prof. P.K. Bajpai.

Workshop Theme

Higher Education Institutions (HEIs) play the most critical role in providing high-quality education and holistic development opportunities to the students, which is crucial for the growth of a nation. There are numerous accreditation agencies to accomplish this goal. Unlike other ranking frameworks limited to few institutions, NAAC is reaching almost all the higher educational institutes (HEIs) and playing a vital role in the growth of the institutions and individuals across the nation.

NAAC was established to assist institutions in evaluating their performance against predefined parameters through inspection and a process that allows for institutional participation. NAAC accreditation enables HEIs to assess their strengths, weaknesses, and opportunities through an informed review process. Additionally, the NAAC accreditation provides objective data to the funding agencies and assists them in allocating funding to various HEIs. NAAC Grading/assessment may also assist educational institutions in implementing new or innovative pedagogical methods. On the other hand, NAAC accreditation or a grade assigned to HEIs serves as an indicator of the institute's overall quality of education, research output, teaching-learning resources, and infrastructure. Further, NAAC grade enables students to select the most appropriate institute based on its NAAC grade.

Guru Ghasidas Vishwavidyalaya is a Central University of India, located in Bilaspur C.G. State, established under Central Universities Act 2009, No. 25 of 2009. This university, formerly called Guru Ghasidas University (GGU), was established by an Act of the State Legislative Assembly and was inaugurated on June 16, 1983. GGV is an active member of the Association of Indian Universities and Association of Commonwealth Universities. As quality enhancement is dynamic, NAAC periodically reviews its evaluation and accreditation process by modifying various quality indicators. In this regard, organizing a workshop, which enables the institutions to prepare for the assessment as per the Revised Framework of NAAC is critical. During this workshop participants will get opportunity to interact with the resource persons. This workshop will also provide a platform to participants for sharing their views and suggestions for the smooth and successful conduct of Assessment and Accreditation Process.
