Dear Sir/Madam,
Greetings from Director IQAC.

In continuation our tele-conversation regarding the conduct of Academic and Administrative Audit (AAA) of Guru Ghasidas Vishwavidyalaya on 13.12.2021 & 14.12.2021, I truly express my gratitude to you for accepting our invitation to conduct the same. Guru Ghasidas University is having eleven school comprising 32 teaching departments that offering a total of 95 programs. The schedule of AAA is enclosed for ready reference. The University is making arrangement for pickup and drop of all the experts.

With best regards
Prof A. S. Ranadive
Director, IQAC

Guru Ghasidas Vishwavidyalaya
EXTERNAL ACADEMIC & ADMINISTRATIVE AUDIT
(PERIOD: 2016- 2021)

Schedule

Day 1: 13-12-2021	
10.00 am – 11.00 am:	Meeting with Head of the Institutions and IQAC Director
11.00 am – 01.00 pm: (10 Departments)	Dept.-wise Presentation (10 minutes PPT for each Department followed by discussion and interaction). Maximum 15 minutes for each department (Venue: Seminar Hall Administrative Building) <ol style="list-style-type: none"> 1. School of Physical Sciences 2. School of Natural Resources 3. School of Arts 4. School of Commerce and Management
2.00 pm – 05.00 pm (13 Departments)	Dept.-wise Presentation (10 minutes PPT for each Department followed by discussion and interaction). Maximum 15 minutes for each department (Venue: Seminar Hall Administrative Building) <ol style="list-style-type: none"> 1. School of Engineering 2. School of Social Sciences 3. School of Mathematical and Computational Sciences
Day 2: 14-12-2021	
09.30 am – 1.00 pm: (09 Departments)	Dept.-wise Presentation (10 minutes PPT for each Department followed by discussion and interaction). Maximum 15 minutes for each department (Venue: Seminar Hall Administrative Building) <ol style="list-style-type: none"> 1. School of Life Sciences 2. School of Inter disciplinary Sciences 3. School of Education 4. School of Law
02.00 pm – 02.45 pm:	Visit to Office, Library & Computer Lab/Centre and other Facilities and Services
02.45 pm – 03.30 pm:	Interaction with student/ parents and Alumni (Venue: Rajat Jayanti Sabhaghar)
03.30 pm – 04.00 pm:	Meeting with Teachers and Staff (Venue: Rajat Jayanti Sabhaghar)
04.00 pm – 05.00 pm	Exit meeting with Head of the Institutions and IQAC Team

 10-12-2021

GURU GHASIDAS VISHWAVIDYALAYA
(A Central University)
AUDIT REPORT
FOR
THE ACADEMIC & ADMINISTRATIVE AUDIT
(13/12/2021 to 14/12/2021)

Name of the University, URL of Website, email and Phone number	Guru Ghasidas Vishwavidyalaya, Bilaspur, Chhattisgarh E-mail-ggu.ac.in 07752-260283
Name of the Vice Chancellor, email & Mobile No.	Professor Alok Kumar Chakrawal vc@ggu.ac.in 8770062330
Name of the IQAC Director, email & Mobile Number	Professor Ahay S Ranadive director-iqac@ggu.ac.in 9407600463
Year of Establishment & details of land available if any	Initially Established as Sate Govt. University-1983 Upgraded as Central University-2009 Land Area - 673 Acre
NAAC Grade with Cycle, Accredited Year & CGPA (Status of preparation if not Accredited)	Cycle - I Validity Period -21.02.2014 to 20.02.2019 Grade- B CGPA/Percentage-2.72

Curricular Aspects

Item	Grade of Academic Advisor (A: Good; B:Satisfactor y; C: Poor)	Impression
Implementation of Annual Institutional Plan	A	Guru Ghasiadas Vishwavidayala has annual academic calendar.
Departmental Annual Curricular Plans	A	It is observed that the semester-wise curricular timetable are maintained and followed in each department.
Whether the above two circulated among Students?	A	Yes. Annual academic calendar and curricular timetable are circulated among students and are available on university website as well.
University Magazine	A	The University magazine "UDAN" and "Parisar Varta" is distributed to all the staff and students.
Coverage of Syllabus (Average Parcentage)	A	It is observed that 100% syllabus coverage in all the subjects.

Formats		the same.
Use of ICT in teaching and learning	A	The ICT tools are well utilized by the teachers.
Average percentage of teachers using ICT for effective teaching with Learning Management Systems (LMS), E-learning resources etc.	B	No learning management system is available in Guru Ghasidas Vidhwavidyalaya. However, it is observed that 100% of the faculty members are using ICT tools for teaching-learning purposes.
Co-Curricular Activities (University Level)	A	The effort taken by the GGV to support Co-Curricular Activities is appreciable. Dedicated cell are available for this purpose.
Seminars/conferences/workshops organized in 2016-21	B	All most all the departments are organizing the seminars/conferences/workshops. However, it is suggested to increase the number of such events.
Academic Competitions (School Level & Above)	A	University has cultural coordinators at school level. University organizes academic competitions at regular intervals.
Conduct of Internal Examinations-Internal assessment	A	In each program Two internal examinations are being conducted. It is suggested to adopt continuous assessment to evaluate a student's progress throughout the program.
Teacher wise result analysis	A	Teacher wise result analysis is found satisfactory.
Pass percentage of students (Group wise) in 2016-21	A	Pass percentage of students is >95.
Percentage of students undertaking field projects / internships	B	Percentage of students undertaking field projects internships is not up to the mark. It is suggested to include field projects / internships in all UG and PG programs.
Remedial Classes	A	Teachers do conduct remedial classes in many programs. Efforts taken to improve slow learners in their studies, through Remedial Classes, are appreciable.
Conduct of Bridge courses	A	Bridge courses are conducted effectively in English in order to bridge the language diversity gap among students.
Feed back on Teachers by Students and its analysis	A	At the end of each semester, students' feedback on teachers' teaching and learning processes is collected. The consolidated feedback is thoroughly analysed in order to gain insight into it.
Research, Innovation and Extension		
No. of Research Guides in each department	A	Except in engineering departments, all teachers with a PhD are research supervisors and mentors for students.
Major/Minor/Other Research Projects	B	The Major/Minor/ Research Projects handled by the teachers are very less. Hence teachers have to be motivated to carry out many research projects

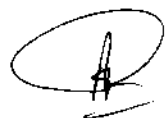

SH

R

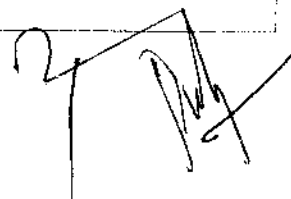

M. Kumar

Research Papers Published in 2016-21 (International/ National)	A	High quality research publications are seen from Sciences departments. However, teachers in other fields must be encouraged to publish good quality articles.
Papers Presented in 2016-21 (International/ National/ State)	A	A large number of papers are presented by teachers.
Books Published in 2016-21 (Single Author/ Co Author)	B	A Good number of teachers have published books and book chapters. Hence, teachers must be motivated to increase the number of books/book chapter publication.
Seminars/Workshops/ Training Program Conducted in 2016-21 (International/ National/ State)	B	Seminars/Workshops/ Training Program Conducted by department are less. Hence, teachers must be motivated to conduct more Seminars/Workshops/ Training Programs.
Record of Consultancy in 2016-21	B	Engineering Departments are engaged in consultancy works. However, other teachers need motivation to bring more consultancy projects.
Whether the Institution has created an ecosystem for innovation including incubation center and other initiatives for transfer of knowledge	B	GGV has an incubator cell, industry academia cell and established IPR cell.
Whether the institution conducted workshop/seminars on Intellectual Property Rights (IPR), Industry-Academia Innovative practices	A	IPR cell is conducting workshops/seminars. It is suggested to increase such events in the coming academic years.
Record of MoUs in 2016-21	B	Number of MoUs has increased in the past few months. However the outcome of such MoU needs continuous monitoring.
Record of Subject/Department Related Extension Activities	A	University actively participates in Swachh Bharat, Unnat Bharat and adopted 5 surrounding villages. The university teams frequently visit these villages and motivate the villagers regarding clean & green practices.
Number of extension programs conducted in the neighborhood community to sensitize the students	A	Extension programs are conducted in all adopted villages. Good number of students taking part in these extension programs.
Number of extension programs conducted in collaboration with Community/NGOs through NSS/NCC/Red Cross/YRC etc.,	A	NSS and NCC are continuously participating in the extension activities
Details of students participating in extension activities with Government Organizations, Non-. Government	A	Students took an active role in extension activities.

— 54

Organizations and programs such as Swachh Bharat, ODF, Aids Awareness, Gender Issue, etc		
Number of awards and recognition received for extension activities from Government/ recognized bodies	B	An award for organizing blood donation camp was received from the state govt. of Chhattisgarh. It is suggested to showcase your extension activities for better visibility.
Infrastructure and Learning Resources		
Number of Class rooms, Labs and computing equipment	A	The University campus has 1 GBPS band-with Wi-Fi available. This is quite sufficient.
Facilities for sports, games (indoor, outdoor, gymnasium, yoga centre etc.,) and cultural activities	A	Facilities for sports & games (indoor, outdoor, gymnasium, yoga centre etc.,) are available in GGV campus.
Classrooms and seminar halls with ICT - enabled facilities such as smart class, Virtual Class Room, LMS, etc	A	Yes, most of the departments of the University are having smart/semi-smart class rooms. However LMS is not available in the campus.
Budget allocated for infrastructure augmentation	A	As per the UGC grant sufficient amount of budget is allotted for infrastructure augmentation.
Library is automated using Integrated Library Management System I	A	Yes, Library is fully automated with SOUL software version 2.0 since 2006.
Collection of rare books, manuscripts, special reports or any other knowledge resource for library enrichment	A	Yes, University library is having good collection of rare books, manuscripts, special reports.
Does college has e-Journals, e-books, e-ShodhSindhu, Shodhganga membership and Databases	A	Yes, University library has subscribed for many e-Journals, e-books. It is suggested to continue the subscription of all e-resources.
Expenditure for purchase of books and journals in 2016-21	A	Every year based on availability of budget good amount is being spent on purchase of books.
Percentage per day usage of library by teachers and students	A	Good number of teachers and students visit library every day. For the last two years digital footprint has increased.
Student-Computer ratio	A	More than 1000 computers and 30 computer labs are available on the campus.
Wi-Fi in the campus	A	University campus has 1 GBPS bandwidth Wi-Fi provided by the NKN.
Updation of IT facilities	A	University has updated IT facility.
Expenditure incurred on maintenance of physical facilities and academic support	B	An average 40 lakhs/year is being incurred on maintenance of physical facilities.

facilities excluding salary component		
Established systems and procedures for maintaining and utilizing physical, academic and support facilities laboratory, library, sports complex, computers, classrooms etc	A	University has a well organized maintenance policy for managing utilizing physical infrastructure.
Student Support and Progression		
Average percentage of students benefited by scholarships by the Government in 2016-21	A	All reserved categories are receiving the scholarship by state/central govt.
Average percentage of students benefited by scholarships by the institution in 2016-21	B	2.31 % of students are benefitted by institutions scholarship.
Average percentage of students benefited by guidance for competitive examinations and common counseling offered by the institution in 2016-21	A	Equal opportunity cell offering coaching for competitive examinations.
Average percentage of placement of outgoing students in 2016-21	B	The placements activities of the University need to be improved.
Student grievances redressal mechanism	A	Student grievances redressal mechanism is available and working in a positive way.
Number of capability enhancement and development schemes conducted (like Career guidance, Remedial coaching etc.,)	A	Equal opportunity cell conducts some programs for career guidance.
Percentage of student progression to higher education	A	About 40 percent students are moving for higher studies.
Average percentage of students qualifying in state/ national/ international examinations(like NET, SLET, GATE, Civil services, state government etc.,)	A	Good numbers of students qualify the NET, SLET, GATE, Civil services, state government etc. each year.
Number of awards/medals for outstanding performance in sports/cultural activities	B	Yes, about 15 awards received for sports/cultural activities.
Presence of an active Student Council & representation of students on academic & administrative	A	Yes. Elections were held for student council. IQAC committee has student's representative.

st

Alpen

bodies/committees of the institution		
Records of significant achievements in Sports & Games	A	In various inter University competition students won the medals.
Number of sports and cultural activities / competitions organised in the Institution in 2016-21	A	Yes, Number of University level/inter University level sports and cultural activities / competitions organized by the University during 2016-21
Alumni contribution in 2016-21 (In Rs)	C	Nil
Number of Alumni Association /Chapters meetings held in 2016-21	C	No registered alumni association available on campus. However each department has their own alumni association.
Maintenance of Knowledge centres/incubators facilities & records	A	University has a national centre for Accelerator based research at Department of Pure and Applied Physics. Anthropology departments have a language centre aimed at preserving endangered language.
Record of Student trained and placed in Knowledge centres/incubators	A	Yes, proper record of Student training and placements in Knowledge centers/incubators are done by University through its Central Placement Cell.
Record of Anti Ragging cell	A	The cell is functional and records are maintained.
Maintenance of drinking water	A	Yes, proper management of sanitation are done by University through its Engineering section.
Maintenance of sanitation	A	Yes, proper supply of quality drinking water is done by University through its Engineering section.
Governance, Leadership and Management		
Functioning of Committees in Administration (Minutes of meetings).	A	Yes, Minutes of the meeting uploaded in University website.
Awards/Achievements.	B	Some teachers and students are continuously receiving awards from reputed organizations.
Use of ICT in Governance.	A	E-Governance as implemented in all the possible segments of the University through Samarth.
Perspective/Strategic plan and deployment documents.	A	University has an approved strategic plan.
Organizational structure of the Institution.	A	University has well organized structure.
Implementation of e-governance in Planning and Development, Administration, Finance and Accounts, Student Admission and Support, Examination	A	Yes, E-Governance in Planning and Development, Administration, Finance and Accounts, Student Admission and Support, Examination are available and working.
Percentage of teachers provided with financial support	A	All teachers who apply for financial support to attend conferences/workshops were provided financial support.

SH.

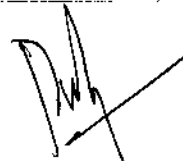

to attend conferences / workshops and towards membership fee of professional bodies in 2016-21		
Number of professional development / administrative training programs organized by the Institution for teaching and non teaching staff in 2016-21	A	HRDC organizes professional development programs for teaching and Non-Teaching staff.
Percentage of teachers attended professional development programs(Orientation Program, Refresher Course, Short Term Course etc..) in 2016-21	A	Good numbers of teachers are attending professional development programs each year.
Orientation Program, Refresher Course, Short Term Courses attended by the faculty	A	Yes, faculty of the University attended Orientation Program, Refresher Course, Short Term Courses
Funds / Grants received from non-government bodies, individuals, philanthropists in 2016-21	B	Very less.
Average number of quality initiatives by IQAC for promoting quality culture per year	A	Initiatives taken by IQAC are appreciable.
Participation in NIRF-2020	A	Yes, University has participated in NIEF 2020.
IQAC activities & maintenance of records, (Action Plan / Minutes of Meeting / Proof of submission of AQAR to NAAC/Activity register etc)	A	Involvement of IQAC in conducting activities and the maintenance of records are appreciable.
Institutional Values and Best Practices		
Percentage of power requirement of the Institution met by the renewable energy source	A	At some places solar panels are installed to meet the power requirements of street lights. However University is going to install solar panel to generate 2 Mega Watt electricity.
Waste Management steps taken	A	Different types of waste, such as, solid waste, liquid waste and E-Waste are treated properly.
Rain water harvesting structures and utilization in the campus	A	It is observed that the management is taking appropriate measures to save rain water.
Facilities for Differently abled (Divyangjan) (ramp, scribe for examination etc..)	A	Facilities to support differently abled students like ramp, scribe for examination etc are made available in the University.

— 3/11 —

Green Practices(plastic free campus, green landscaping etc..)	A	Green practices are done followed to make the environment Eco-Friendly.
Record of best/innovative practices by the institution	A	University is having several best practices.

General conclusions

The Audit team is convinced that the Guru Ghasidas Vishwavidyalaya has untapped potential for carving a niche among high-ranking universities. Form the 2nd Cycle of NAAC accreditation it has undertaken several initiatives for qualitative improvement in teaching and learning system. But still some of its academic and administrative features are needed to be upgraded and improved in several aspects.

SWOC Analysis

Strength:

1. Ideal location of the University surrounded by good industrial & business environment and also green campus ambience is maintained.
2. Huge financial support and from Central Government and other funding agensis.
3. Highly qualified subject experts and teacher's team for teaching and research.
4. Hostel, library & other advanced state-of-art laboratory facilities are excellent.
5. Strong Research Atmosphere with good number of Research Publication of Faculty Members in reputed research journals.
6. Dedicated faculty and staff.
7. Adequate physical infrastructure
8. Disciplined and peaceful academic and administrative ambience.
9. The institution is sensitive to stakeholder's needs and human values.
10. Enormous number of Research Projects available.
11. Sports and Physical Education Facilities are very good and well managed.

Weakness:

1. The PEO's, PO's, PSO's and CO's are not properly mapped with syllabi and attained.
2. Feedback mechanism should include all stakeholders.
3. Low quality of innovation, start-ups, incubation and entrepreneurship facilities.
4. Proper mechanisms for management of research and consultancy activities are not appropriate.
5. Industry Academy linkages are not available in a suitable and proper manner.
6. Placement and carrier guidance facility are poor.
7. The academic programs have limited flexibility.
8. Lack of new and advanced skill-oriented courses in the curriculum.
9. Limited number of International MoUs with Institutions.
10. Add-on and value-added courses are less and needs improvement.
11. The monitoring and evaluation of the curricular enrichment programs needs to improve.
12. For Slow learners counselling, remedial classes, revision classes, study materials, bilingual explanation etc. is provided by the University in a proper way.

Challenges:

1. Enhancing foreign student environment and inculcating international environment in the campus.
2. Creating better and innovative research ambience and research culture.
3. To achieve good placement record with MNC's and other Industry Interface.
4. Teaching first generation learners.
5. Continuous and sustained enhancement of quality education to the students.
6. Generation of vibrant research culture, motivating teaches for undertaking research consultancy.
7. Establishing E-Governance in the Institution.
8. Maintain the placement and training of the student of various disciplines.
9. Maintaining laboratories and other infrastructure facilities.
10. Introducing new skill oriented and value-added courses to increase employability skills of the students.
11. Incorporating LMS (Learning Management System) in the University.
12. Percentage of students undertaking field projects, internship to be made satisfactory.
13. Social connect of the campus is very poor which is to be upgraded.
14. ERP is to be properly implemented and Library is to be made fully automated.

Opportunities:

1. Rich industrial, industry, business environment in the surroundings conducive for education.
2. Ample possibilities to undertake innovative and incubation for entrepreneurship and development programmes.
3. Better scope for collaboration and networking with academic institutions and industry.
4. Excellent Biodiversity for Better opportunities to conservation of ore, minerals forest and rural products as well as art culture of Chhattisgarh state.
5. Being the Central University, International attentions and opportunities could be grabbed efficiently.

Recommendation for quality enhancement of the university.

1. University has to strengthen the ecosystem for innovations including incubations centre and other initiatives for creation and transfer of knowledge.
2. Establishment of day care centre to support to staff having young children.
3. Establishment of a dedicated cell for maintaining all official work of research scholars.
4. Library should be automated using integrated library management system (ILMS).
5. Collection of rare books, manuscripts, special reports or another knowledge resource should be made available in library separately.
6. For sustainable environment, University requires different types of audits like, environment, governance, gender, energy, hygiene etc
7. Attempts should be made to tap resources from different funding agencies for nonconventional courses like Food Technology, Tourism, advanced technology and Space Sciences.
8. Earmarking more funds for Student resources & facilities to make them satisfied.
9. Make necessary steps to attract more International students.
10. More advanced PG courses may be started.
11. Library must be fully automated and enriched in terms of text books, reference books, periodicals and research journals.

— AH

12. Alumni association be encouraged to mobilize additional funds and resources
13. Initiate external Academic Administrative Audit on a regular basis every year
14. The Institution has to improve Industry-Academia linkages.
15. The Institution needs to organize various extension activities regularly, annual blood donation camp etc.
16. Strong alumni interaction is must for benefit of students. For this proper data base of alumni must be maintained and alumni association must get registered.
17. Help desk must be provided in all schools for effective feedback from students.
