## SCREENSHOTS OF ADMIN MODULE OF SAMARTH

The screenshot displays the 'Add Employee Record' form in the SAMARTH Admin Module. The form is organized into two main sections: 'Employee Information' and 'Employee Personal Information'. The 'Employee Information' section contains several dropdown menus and text input fields for recording employee details such as type, organization, nature of employment, appointment date, accommodation, campus status, service center, designation, joining date, qualification, and employee status. The 'Employee Personal Information' section includes fields for publication and full name. The interface is clean and professional, typical of a university management system.

**Fig 1 Employee Record**

This module is used for maintaining the employee's record and generates the account of every employee in SAMARTH.

The screenshot displays the 'Add New User' form in the SAMARTH Admin application. The form is titled 'Add New User' and is located within the 'User Administration' section. The form fields include:

- Type of Account: Select
- Account Associate to Employee: Select
- Username: Enter username
- Mobile Number: +91 9999999999
- Email: Enter email
- Password: Enter password
- Factor Authentication: On
- Send digital information over Email: Yes (checked) / No
- Ask for password change on first login: Yes (checked) / No

At the bottom of the form, there are 'Add User' and 'Cancel' buttons. The footer of the application indicates '© Project Samarth - All Rights Reserved' and 'Designed & Developed by M&E'.
