## Criterion 6 – Governance, Leadership and Management

### Key Indicator 6.5 Internal Quality Assurance System (IQAS)

#### 6.5.3 Incremental improvements made for the preceding five years with regard to quality (in case of first cycle NAAC A/A)

##### Post accreditation quality initiatives (second and subsequent cycles of NAAC A/A)

The University has adopted a number of quality enhancement initiatives to improve the overall quality education being imparted. University has made the significant improvement into the Academic infrastructure especially for blended mode/ Technology enabled learning, which is evident from uninterrupted teaching learning processes during pandemic time including successful conduction of admissions, classes, examination, assessment and result declaration using SAMARTH ERP portal and advanced optical fibre and Wi-Fi based network system. As per the NEP-2020 mandate, research and innovation are integrated with teaching learning processes. The research policy of the university has been framed and implemented. The University has also established Research & Development Cell as per UGC guidelines and integrated five verticals by establishing Incubation Centre, Innovation Council, Skill Development Cell, IPR Cell and Technology Enabling Centre (TEC) providing Entrepreneurial atmosphere and Start-up ecosystem. Resource mobilization for research and development with focus on translational research and technological transfer have also geared up resulting into Rs. 2900 lakhs resource generation for R&D during the assessment period including more departmental research grant such as new FIST for Zoology and Mathematics in addition to existing three FIST departments.

To mobilize resources through CSR, University has received 94 bicycles and 2 battery operated vehicles. These vehicles and bicycles are used for the students in the campus to make campus environment friendly.
