2. It was further decided that the curricula will be operative under the credit system. The CBCS/ECS would not be implemented in strict sense to the present programmes run by the department, being professional post-graduate programmes, and owing to the present limitations of space and resources. However, ample number of elective courses have been designed to be offered in the all the programmes of M.Ed. Moreover, the Curriculum of M.Ed. programme have been designed to offer choices in terms of specialisation courses as well as dissertation in chosen area. Such courses would be able to meet the diverse need and interest of the clientele. More choices of courses should be included as and when there would be sufficient infrastructure and system support available.
3. The course objectives of all the courses have been modified in accordance with the LOCF recommendation and the course learning outcomes are mapped over the programme specific outcomes and programme outcomes.
4. The courses are revised as per the LOCF and above mentioned curriculum map.

The committee discussed and approved the scheme and syllabus from the session 2021-22.
