### **Brief about University**

Guru Ghasidas Vishwavidyalaya, is a Central University of India, located in Bilaspur C.G. State, established under Central Universities Act 2009, No. 25 of 2009. Formerly called Guru Ghasidas University (GGU), established by an Act of the State Legislative Assembly, was formally inaugurated on June 16, 1983. GGU is an active member of the Association of Indian Universities and Association of Commonwealth Universities. Situated in a socially and economically challenged area, the university is appropriately named to honor the great Satnami Saint Guru Ghasidas (born in 17th century), who championed the cause of the downtrodden and waged a relentless struggle against all forms of social evils and injustice prevailing in the society. The University is a residential cum affiliating institution, having its jurisdiction spread over Bilaspur Revenue Division of the state of Chhattisgarh.

The University spread over 656 acres of lands. Nature has bestowed the campus with unmatched beauty, immaculate blend of greenery and water bodies. The University offers opportunities to young minds and facilitates the accomplishment of their creative talent with emphasis on character building through various streams of knowledge. The university comprises 32 teaching departments and 12 schools of studies. It offers number of Undergraduate, Post Graduate and Ph.D. programs besides diploma and Post Graduate Diploma courses. Admissions to all the programs are made through a competitive All India Entrance Test conducted by the University. Admissions to the Institute of Technology, Department of Management studies are made through Joint Engineering Examination (JEE) and Management Aptitude Test (MAT). Presently, more than 7000 students in the teaching departments of the University are studying.

Motivated by the thought and teaching of Guru Ghasidas, University is committed to social empowerment, particularly of the weaker sections of the society, with the help of quality higher education and training. Focus of the University is on offering and strengthening innovative academic programmes in emerging interdisciplinary areas of Science, Social Science and Humanities so as to contribute to the growth of the knowledge base of the University in particular and academia in general. The University aims to provide value based holistic education which will lead to the growth and development of the community better equipped to serve the mankind.

The University has taken extensive steps to transform both teaching and learning process in order to meet contemporary global standards. To boost the quality of teaching, the University has appointed nationally and globally trained faculty and maintaining an ideal student-teacher ratio. Students are continuously evaluated through internal assessment tests, assignments and end semester examinations. The transparent evaluation process, where answer sheets of tests are shown in the classroom, helps the students to improve their performance. To maximize student's potential, the University has arranged excellent support facilities including Central library, hostels, cafeteria, gymnasium, sports ground, health center, banks, Wi-Fi connectivity, Samarth

portal. The University has set up Inspired Teachers Club, Industry Interface Cell, Product Development Cell, Unnat Bharat Abhiyan Cell and NSS Cell. University campus is safe, secure and is an alcohol and tobacco free campus. Our vibrant university campus, where students from diverse castes, creeds and classes come together from all over India, provides an environment conducive for over all personality development of students. The teaching departments have excellent state of art facilities for research besides Central Instrumentation Facilities.

The University is on the path of realizing twin goals of making higher education more relevant to the needs and opportunities of a knowledge society and to make higher education more accessible to the all sections of the society.
