A Brief Abstract of the Event:

The research articles published in peer-reviewed journals like nature, springer etc will acknowledge the work of researchers, academicians & scientists but sometimes the problem related to cloning or duplicity was faced by many researchers while publishing their research papers in journals. In context to this Guru Ghasidas Vishwavidyalaya (A Central University), Bilaspur (C.G.) in association with Web of Science (Clarivate Analytics) and funded by All India Council for Technical Education (AICTE) an initiative of IQAC-GGV has successfully organized an Orientation Session on “Effective Utilization of Web of Science” on 07/08/2021 from 11:00 AM onwards. The objective of this training session is guidance among faculty members about the journal selection policies, especially for SCIE, SSCI, and A&HCI indices and Web of Science collections. The keynote speaker of the session was Dr. Subhasree Nag, Expert, Clarivate Analytics, WOS provides the information on features related to citation, easy search, research area filter search, and endnod features of WOS.
