**A Brief Abstract of the Event:**

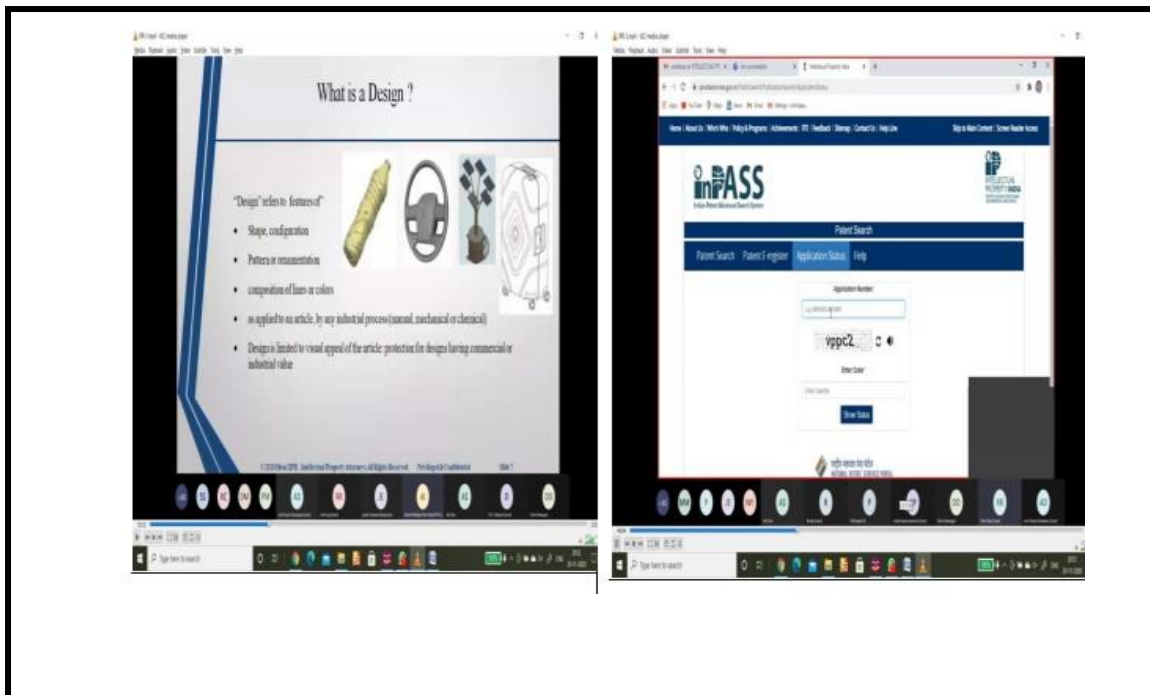

In the modern world, intellectual property rights have a significant influence on international trade and indigenous trade of every nation thus added the intrinsic value to all kinds of products. Intellectual Property Rights is the legal rights granted with the aim to protect the creations of the intellect or individuals. These rights are patents, industrial designs, trademarks, and Copyright. In context to this, the Research and Development Committee, School of studies of Engineering & Technology, Guru Ghasidas Vishwavidyalaya (A Central University), Bilaspur (C.G.) has successfully organized a one-day National Workshop on “Intellectual Property Rights” on 28/11/2020 from 10:00 AM to 03:00 PM. The objective of this National workshop is to motivate faculty members, research scholars, and industrial persons in the protection of their creation. The keynote speaker of session one was Mr. Ankush Mahajan, Idea 2 IPR, New Delhi, who addressed the importance of novelty in patent, industrial application, non-patentable inventions, section 3 under patent, Patent life cycle, Indian filling routes, foreign filing rules, country-specific legislation, as well international laws and treaties that govern IPR. In the second session Dr. Rohit Raja, Head & Associate Professor, Dept. of Information Technology, SoS in Engg. & Technology, GGV, Bilaspur addressed the whole process of applying for patent and copyright.
