<p>About the University & the Department: Guru Ghasidas Vishwavidyalaya, started its journey as a state university since 1983, is now a central university in Chhattisgarh established under the Central Universities Act, 2009. It draws about 7000 students from different parts of the country. Apart from the regular academics in the campus, the university has successfully managed to extend its services for the welfare of society. The Department of Education is committed to bring out the best potentials of its students to develop them as empowered and envisioned leaders of Indian Education. The department possesses a team of able and sensitive teachers striving to promote among the prospective teachers and the teacher educators – a high standard of knowledge, professional skills, cultural understanding, social responsibility and synergistic progress within a truly multicultural educational environment.</p> <p>Concept Note: In Chhattisgarh, schools lack adequate numbers of mathematics teachers and hence, the students have lack of knowledge of mathematical calculation. This not only bars their development in school learning and higher learning but also restricts their employability. Whereas, mathematics, support s in learning of other disciplines at school as well as higher level. Some students like hearing impairment, visual impairment, etc are not able to study without teaching learning material. So, it is highly required that alternatives strategies to be developed to support students mathematical learning for developing mathematical skills and for teaching learning material for pleasure. The teaching learning material cannot only be cost-effective but productive strategy to ensure this purpose. Therefore, a two-day workshop is proposed for developing effective teaching learning material for primary, upper primary level students by inviting experts, school teachers, special educator, teacher educators interested in the field of mathematics.</p> <p>Under the Pandit Madan Mohan Malviya National Mission on Teachers and Teaching (PMMNMTT) Scheme of MHRD, In the field of education, TLM is a commonly used acronym that stands for 'teaching learning materials.' Basically, any resource, a teacher uses to help his/ her students, is a teaching learning material. Broadly, the term refers to a spectrum of educational materials that teachers use in the classroom to support specific learning objectives, as set out in lesson. Teaching/ learning material can support student learning and increase student success.</p>	<p>CHIEF PATRON Prof. Anjila Gupta, Hon'ble Vice Chancellor</p> <p>PATRON Prof. Shailendra Kumar, Registrar</p> <p>CONVENER Dr C S Vazalwar</p> <p>COORDINATOR Dr Sunil Kumar Sain Mr. Krishna Kumar Pathak</p> <hr/> <p>Venue- GGV Campus Participants: Higher Secondary Mathematics School Teachers/ Assistant Professors/Special educator/Teacher Educators</p> <p>Important Dates: Workshop on 29th -30th August, 2019 Registration on or before 27th August, 2019</p> <hr/> <p>No Registration fees will be charged for this workshop.
