<p>About the University & the Department: Guru Ghasidas Vishwavidyalaya, started its journey as a state university since 1983, is now a central university in Chhattisgarh established under the Central Universities Act, 2009. It draws about 7000 students from different parts of the country. Apart from the regular academics in the campus, the university has successfully managed to extend its services for the welfare of society.</p> <p>The importance of teachers in our society can't be underestimated. Keeping this point in mind, the department of education aims to impart the quality education to the students. The syllabi of all the courses are designed to keep pace with the latest trends and innovation in education. The objective of the department is to create professionally competent researchers, teacher educators, and prospective teachers.</p> <p>At present, the department offers Ph.D., M.Ed., B.Ed., B.Ed. Special Education (HI) and B.Ed. Special Education (LD) programme. The details of each course i.e. availability of seats, admission process, detailed syllabus of each course, and list of faculty members are available in the university website.</p> <p>Concept Note: Evaluation is a broader, comprehensive and inclusive term which includes all types of tests, measurements and assessment. The purpose of evaluation is not only to check the knowledge of the learner but also to make a judgment about the desirability or value of a measure. It is interpreted in the development of the individual in terms of desirable behavioural change in relation to his/her feeling, thinking and actions. Evaluation as a whole includes teaching-learning process, followed by the several assessment techniques such as diagnostic, remedial, and to clarify the objectives of education. It provides guidance, helpful in classification, and helpful in improvement of teaching and learning process. Hence, it is quite evident that evaluation is quite essential for promoting pupil growth. It is equally helpful to parents, teachers, administrators and students. But for a school teacher, it is a tool to craft their whole teaching-learning process and assists them to enhance the learning outcomes. In recent days, there is a lot of innovative methods have been included in all stages of education in general and school education at particular. This workshop is a step towards to meet the vision by acquiring the school teachers in this direction.</p>	<p>Under the Pandit Madan Mohan Malviya National Mission on Teachers and Teaching (PMMMNMTT) Scheme of MHRD, the department envisioned development of Academic Enrichment Activity for secondary and senior secondary school teachers on evaluation methods and through this workshop an attempt has been made to identify the existing evaluation practices in secondary and senior secondary schools of Chhattisgarh operated through CBSE and State Board and try to come out with an innovative/sustainable model of assessment and evaluation which is the present need of the society.</p> <p style="text-align: center;">CHIEF PATRON</p> <p style="text-align: center;">Prof. Anjila Gupta, Hon'ble Vice Chancellor, GGV, Bilaspur.</p> <p style="text-align: center;">PATRON</p> <p style="text-align: center;">Prof. Shailendra Kumar, Registrar, GGV, Bilaspur</p> <p style="text-align: center;">CONVENER</p> <p style="text-align: center;">Dr. C S Vazalwar Head, Department of Education, GGV, Bilaspur.</p> <p style="text-align: center;">COORDINATOR</p> <p style="text-align: center;">Dr. Sambit Kumar Padhi, Assistant Professor, Department of Education, GGV, Bilaspur.
