**Venue : Human Resource Development Centre, Guru Ghasidas
Vishwavidyalaya, Bilaspur, Chhattisgarh**

<p>About the University & the Department: Guru Ghasidas Vishwavidyalaya, started its journey as a state university since 1985, is now a central university in Chhattisgarh established under the Central Universities Act, 2009. It draws about 7000 students from different parts of the country. Apart from the regular academics in the campus, the university has successfully managed to extend its services for the welfare of society. The Department of Education is committed to bring out the best potentials of its students to develop them as empowered and envisioned leaders of Indian Education. The department possesses a team of able and sensitive teachers striving to promote among the prospective teachers and the teacher educators – a high standard of knowledge, professional skills, cultural understanding, social responsibility and synergistic progress within a truly multicultural educational environment.</p> <p>Concept Note: Information and Communication technology (ICT) has turned out to be an effective educational technology which promotes some dramatic changes in teaching learning process. The teacher's role in the Information and Communication technology (ICT) is now a day important in school academic activities. ICT includes various things like computers, laptops, multimedia, software, hardware, internet, digital camera, video recorder etc. Therefore, teachers must acquaint with latest information and communication technology for the delivering lecture/ demonstration/showing picture/videos etc. Teachers should use the internet for teaching his/her subject effectively. This workshop is going to focus on the use of ICT in different subjects for secondary school teachers in Chhattisgarh.</p> <p>Under the Pandit Madan Mohan Malviya National Mission on Teachers and Teaching (PMMMNMTT) Scheme of MHRD, the department envisioned development of Teaching Learning Material in the concerned subject of the teachers through information and communication technology (ICT) by academic enrichment activities. Participants should prepare teaching learning material in their concern subjects in the workshop and submit these materials.</p>	<p align="center">CHIEF PATRON Prof. Anjila Gupta, Hon'ble Vice Chancellor</p> <p align="center">PATRON Prof. Shailendra Kumar, Registrar</p> <p align="center">CONVENER Dr C S Vazalwar</p> <p align="center">COORDINATOR Dr Sudhir Sudam Kaware Dr Sunil Kumar Sain</p> <p>Participants: Higher Secondary School Teachers</p> <p>Important Dates: Workshop on 30th January, 2019 Registration on or before 28th January, 2019</p> <p>No Registration fees will be charged for this workshop.
