A Brief Abstract of the Event (Maximum 500 Words):

A six days skill development training program from **29/08/2018 to 03/09/2018** on **Bamboo art Training Program** was jointly organized by Department of Rural Technology and Social Development and Skill Development Cell, GGU at Department of Rural Technology and Social Development, GGU. In inauguration Prof. V.D. Rangari, Dean, SoS Natural Resources, Dr. Rajesh Bhushan, Nodal Officer Skill Development Cell, GGU, Dr. Bhaskar Chaurasia, Co-ordinator of Training program and Dr. Dilip Kumar, Skill development cell, SoS Natural Resources were present. The skill development training on Bamboo art is a very beautiful and useful art and craft, it is mainly prepared and utilized by the rural people. Basic raw materials used for the bamboo art are bamboo glue and the basic tools are saw, knife, blades. The bamboo art is a very useful way of craft since it is used in the household and also has good market for the sale of the materials. Dr. Bhaskar Chaurasia was the coordinator and Mr. Ravishankar Soni was invited as master trainer of this training program. A total of 25 participants were registered for this training program. Dr. Bhaskar Chaurasia gave comprehensive information and demonstration about the Bamboo art to the participants. Mr. Ravishankar Soni gave basic trick and ideas for the preparation of bamboo pieces for various products. Some beautiful products were prepared by the participants during the training time periods like chandelier, pencil box, bullock carts, flower vase, baskets, small bamboo house.
