

Animal House

The Institute of Pharmaceutical Sciences (Department of Pharmacy) has an approved animal house by Committee for the Purpose of Control and Supervision of Experiments on Animals (CPCSEA) with approval granted for Research and Education (Registration No: GO/Re/S/06/CPCSEA) under Prevention of Cruelty to Animals (PCA) Act 1960 as amended in 1982 under which the Government has made "Breeding of and Experiments on Animals (Control and Supervision) Rules, 1998" as amended during 2001 and 2006, to regulate the experimentation on animals. Therefore, to regulate the experiments on animals and to ensure the bio-safety the CPCSEA has constituted an Institutional Animal Ethics Committee (IAEC). The committee scrutinizes the applications for conducting research on small animals and also ensures the bio-safety by strictly adhering to the CPCSEA norms (Compendium of CPCSEA, 2018). The meeting of the IAEC is called once or twice in a year depending on the number of research applications. In the IAEC meeting the CPCSEA nominees namely one Main nominee, Link nominee, Scientists for outside institute and Socially aware nominee along with 5 members from the institute, Inspects the animal house facility, scrutinizes the applications for conducting research on small animals and also ensures the bio-safety as per the norms laid down by the CPCSEA in Compendium of CPCSEA, 2018. Thereafter, the minutes of the IAEC meeting and the observation made by the CPCSEA nominees during the animal house visit are submitted to the CPCSEA using online portal (www.cpcsea.nic.in) by CPCSEA Main nominee and also by the institute for further examination and record. The CPCSEA Main nominee also conducts surprise visit to the institute animal house for ensuring that all the CPCSEA norms for ethics in animal research and bio-safety measures are followed and maintained by institute as per CPCSEA norms amended time to time.

 Guru Ghasidas Vishwavidyalaya, Bilaspur (CG)

CPCSEA GUIDELINES
 (Committee for the Purpose of Control & Supervision of Experiments on Animals)
 Registration No.: 994/G096/CPCSEA

AIM:
 To prepare the houses/units of animals used in biomedical and behavioral research and having with the basic objective of providing specifications that will enhance animal well being, quality in the process and the standard of the experiments to be conducted for human and animals.

OBJECTIVES FOR ANIMAL EXPERIMENTATION: Various in-vivo systems are being used to reduce or reduce the number of experimental animals whenever possible including software monitoring/telemetry.

PROVISIONAL ANIMAL ETHICS COMMITTEE (AEC):
 Institute has a policy governing experiments on animals used for academic as well as research purposes. Institutional Animal Ethics Committee (IAEC) is registered with CPCSEA having approval no. 994/G096/CPCSEA. Hence the use of animals in such studies requires special consideration. The procedures should be followed as mentioned in the AEC.

REGISTRATION OF EXPERIMENTERS:
 An applicant for a license or license for use of animals for use in experimentation for more than 3 years shall submit an application to the AEC.

FOOD: Animals are fed with a balanced diet, and individually weighed daily before the experimental procedure begins.

WATER: The water supply should be uninterrupted and if not available, water should be provided in drinking bottles/containers.

WATER: Clean and fresh water should be provided daily.

HANDLING: The animals should be handled gently, and they should be kept in a safe and secure place. The animals should be handled gently and they should be kept in a safe and secure place.

WASTE: The waste should be disposed of properly and frequently and disposal of it in a safe and secure place.

RECORDS: All records should be maintained and they should be kept in a safe and secure place.
