Details of Event Proceedings

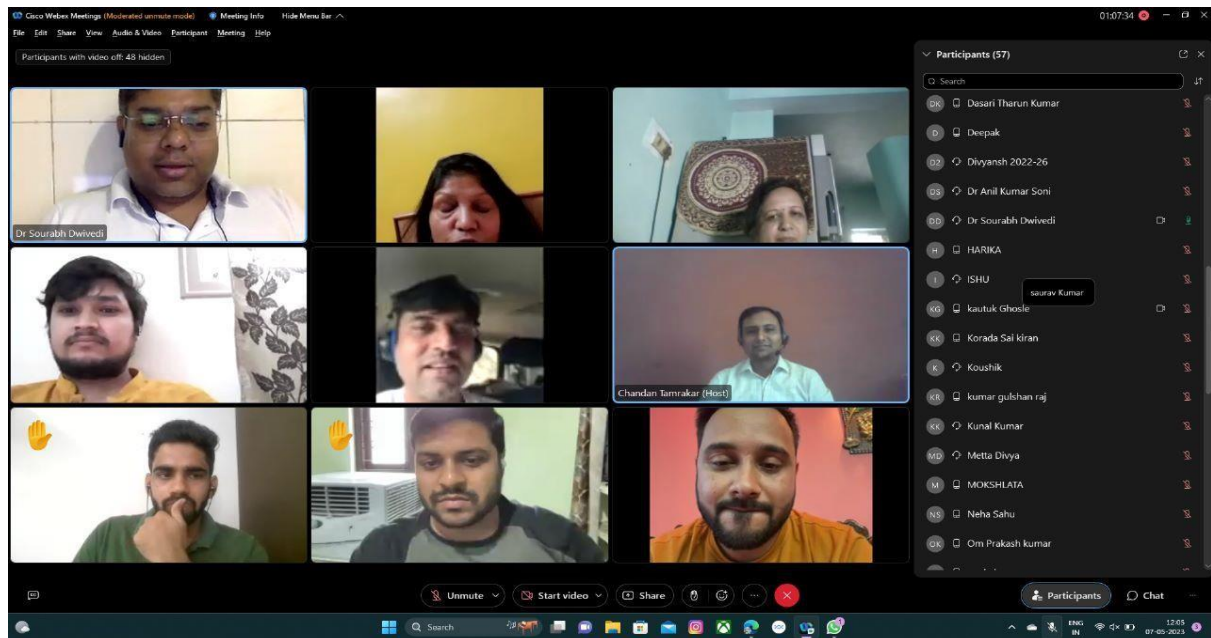

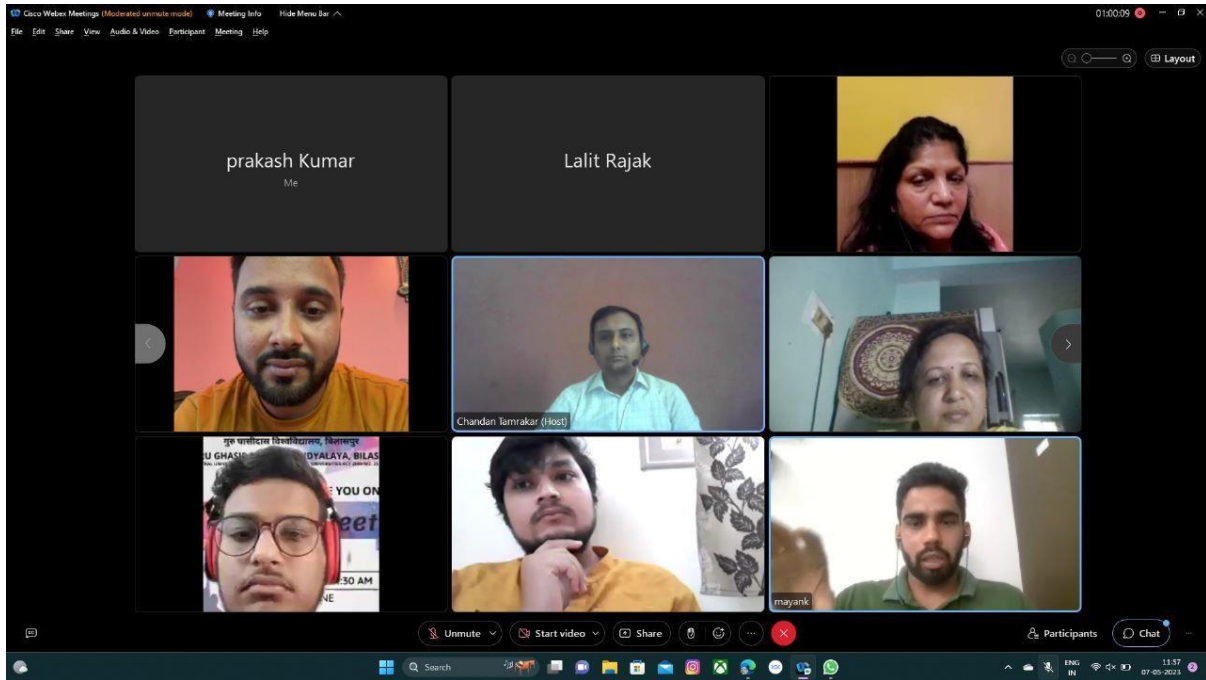

A Brief Abstract of the Event:

IEEE STUDENT BRANCH GGV and SILICON successfully conducted the Alumni meet on 07th May 2023 via online mode that aimed in providing students of 1st to 4th year from the Department of Electronics & Communication Engineering, proper guidance for the current placement scenarios, startups, higher studies, future planned for the lecture series, observations, suggestions, feedback for the modified vision, mission and PEO's with mission.

The host Chandan Tamrakar, Asst. Prof., Dept. of ECE & co-host Praveena Rajput, Asst. Prof., Dept. of ECE, made the session more interactive with their contributions by giving fruitful speeches and information about current developments in the department and introducing all the alumni to the present students. The alumnus guided the students in their career choice, how they can increase their networking in the college, information about software and hardware, experiences they got in the college, in which post they are currently working.

Rishabh Upadhyay (Student Chair, IEEE GGV STUDENT BRANCH) & Ankit Kumar (President, SILICON CLUB) presented the websites of IEEE and SILICON and also provided information about the activities happening in the college, encouraging both, the students and the alumnus to participate in the same. Not only the students but also the alumnus was highly obliged to be a part of such a session. Every faculty member from the department of ECE attended the meeting.
