### Details of Event Proceedings

Date (DD-MM-YYYY)	Details of the Session	Details of Resource Person	Number of Participants
18-02-2018	Morning session	Prof. Biswajit Mukherjee	150
18-02-2018	Afternoon session	Prof. VD Rangari	150

### A Brief Abstract of the Event (Maximum 500 Words):

National Conference on “Recent Trends in Drug Discovery, Development and Delivery Systems” was conducted on 12<sup>th</sup> February 2018 at SLT Institute of Pharmaceutical Sciences, Guru Ghasidas Vishwavidyalaya (A Central University) Bilaspur (Chhattisgarh). During this event resource person from Jadavpur University, Kolkata has delivered an expert talk on exploration of herbal drugs for future research. A number of traditional healers from different parts of Chhattisgarh state were also invited for the event and they demonstrated the methods of preparation of crude drugs and also displayed some plant drugs available in the jungles of Chhattisgarh. Through this conference the students and faculties gained the skill for herbal drug identification, processing, storage and preparation methods for administration to the patients.
