Subject: International Training Course on Environmental Immunotoxicology and Reproductive Toxicology (19-30 September 2016)

Dear Mr. Sudhir Kumar Pandey,

I am writing to inform you that the Chulabhorn Research Institute (CRI) has granted you a fellowship to attend the International Training Course on Environmental Immunotoxicology and Reproductive Toxicology to be held from 19-30 September 2016 in Bangkok.

The fellowship will cover the registration fee, airfare, local accommodation at the CRI Residence, and a *per diem* to cover meals and incidental expenses during the course.

With regards to your travel, you are required to purchase an economy class round-trip air ticket (the most direct route, least expensive economy class fare between your country and Bangkok – not the normal fare). Please note that you should **arrive in Bangkok on September 18 and depart on October 1**. We shall provide airfare to a maximum of 600 USD. Reimbursement will be made in Bangkok in US Dollars on provision by you of a proper receipt.

For us to process the fellowship, we kindly request that you send us the statement of your airfare ticket rate by Wednesday, August 24, 2016.

Attached please find the course description for the training course for your information.

We look forward to hearing from you.

Yours sincerely,

Khunying Mathuros Ruchirawat, Ph.D.
Vice President for Research and Academic Affairs
