A Brief Abstract of the Event:

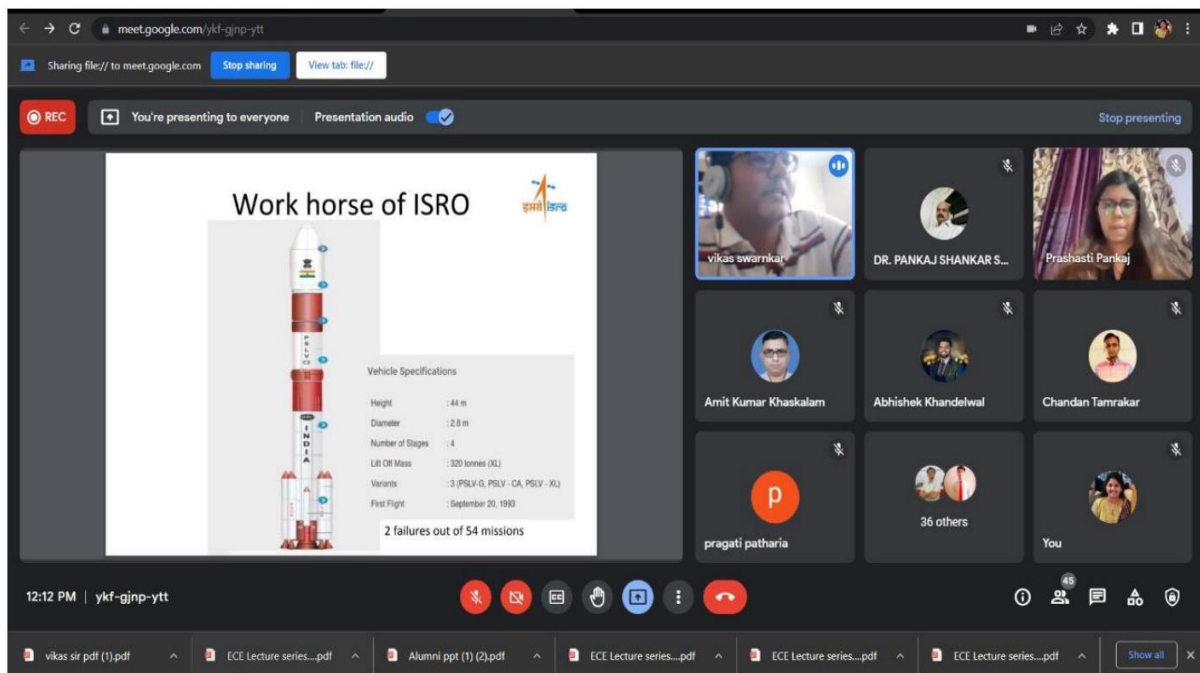

Department of Electronics and Communication Engineering, School of Studies in Engineering in Technology, Guru Ghasidas Vishwavidyalaya (A Central University) Bilaspur (C.G.) successfully conducted 2nd lecture of one of its kind “ECE Lecture Series” aimed at helping the students in choosing their best possible career path, clearing their doubts and providing them insights about the current technologies being used in the industry and guiding them through the Alumnus of the department. The speaker of this session Miss. Prashasti Pankaj, Student Coordinator and final year student of ECE department welcomed everyone in the meeting. Dr. Soma Das, HoD ECE and convener of this program then addressed the meeting and spoke about the objective of this get together. Mrs. Bhawna Shukla Asst. Prof ECE and Coordinator of this series, took the responsibility to address the speakers. Mr. Vikas Swarnkar, Scientist/Engineer- SF, Deputy Head, System Reliability, SDSC SHAR, ISRO Srihari Kota, A.P.(Alumni 2004) and Mr. Abhishek

Khandelwal, Sr. Tech member of technical staff-I into R&D team for 5G networks at Mavenir Systems Ex - Sasken, Nokia in 4G/5G domain, an entrepreneur in e-commerce domain(Alumni 2015) gave a brief introduction about themselves. Our first speaker Mr. Vikas Swarnkar shared his experiences with everyone and enlightened the students about Scope of ECE in India and future opportunities. He shared his experience as how he joined such an prestigious organization like ISRO and relied on the fact that hard work leads to success.He then moved forward to share the strategies behind cracking competitive exams. Our second speaker of the day, Mr. Abhishek Khandelwal, reflected his thoughts on having right mindset and stressed on upcoming and current technologies being used in the industry and correct path to make a career in core field of ECE. More than 50 students attended the meeting and gained insights about opportunities in ECE. Feedback form was rolled out to every student to know about the quality of the program conducted and the future topics on which webinar should be conducted. The program concluded with a vote of thanks from Mrs. Pragati Patharia Asst. Prof ECE.
