18-07-2022	The session was entitled: Education According to Swamiji's Ideology Swami Vivekananda believed education is the manifestation of perfection already in men. He thought it is a pity that the existing system of education did not enable a person to stand on his own feet, nor did it teach him self-confidence and self-respect. Focusing on this ideology,	Swami Sevavratana Ji, Secretary, Ram Krishna Mission, Bilaspur	200

A Brief Abstract of the Even:

Swami Vivekananda believed education is the manifestation of perfection already in men. He thought it is a pity that the existing system of education did not enable a person to stand on his own feet, nor did it teach him self-confidence and self-respect. Focusing on this ideology the Department of Electronics and Communication Engineering, School of Studies in Engineering in Technology, Guru Ghasidas Vishwavidyalaya (A Central University) Bilaspur (C.G.) successfully conducted 3rd lecture of one of its kind "ECE Lecture Series" on the topic "Education According to Swamiji's Ideology" on 18th July 2022 in E-Classroom. This was the first offline event following two successfully conducted lectures in online mode aimed at helping the students in knowing the true and fruitful meaning of education. The host of this session Mr. Yash Gupta and Miss. Srijani Som, 3rd year students of ECE department welcomed everyone in the meeting. Prof. Nilambari Dave, Former Vice Chancellor, Saurashtra University the chief guest of the function shared her perspective about the session and the topic. The dignitaries then honoured and welcomed each other with saplings. Prof. T.V. Arjunan, Dean, SoS(E&T) then addressed the meeting and spoke about the objective of this lecture series. Further Dr. Soma Das, HoD ECE and convener of this program briefed everyone about the program and addressed the speaker of the program Swami Sevavratana Ji, Secretary, Ram Krishna Mission, Bilaspur. Our speaker Swami Sevavratana

Ji then shared his views with the students on how to align with Vivekananda Ji's thought of education effortlessly and clearly defined perfection and manifestation. Furthermore, he said that without manifestation one cannot reach perfection. He also focused on the fact that our current education system is far away from Vivekananda Ji's beliefs and ways to line up to that. He also pointed out the problems we are facing in solving the issue of literacy due to the Western influence. Prof. Alok Kumar Chakrawal, Hon'ble Vice Chancellor and Chief Patron of this Lecture series then joined the session and shared his personal experiences and views on the topic. He relied on the fact of importance of meditation in one's life. He further added that one can gain his lost powers and abilities through consistent meditation and it would help an individual in achieving such heights that he must not have dreamt of. He then motivated the Engineering students to portray the best side of yourself and be professionally confident at the upcoming placements. Then there was a questionnaire session where Hon'ble Vice Chancellor and Swami Ji interacted with the students and cleared their doubts. The program concluded with a vote of thanks from Mrs. Praveena Rajput, Asst. Prof ECE and Coordinator of this series. There was also an arrangement of refreshments for the students.
