### A Brief Abstract of the Event:

Department of Electronics and Communication Engineering, School of Studies in Engineering in Technology, Guru Ghasidas Vishwavidyalaya (A Central University) Bilaspur (C.G.) successfully conducted 1st lecture of one of its kind “ECE Lecture Series” aimed at helping the students in choosing their best possible career path, clearing their doubts and providing them insights about the current technologies being used in the industry and guiding them through the Alumnus of the department. The speaker of this session Miss. Prashasti Pankaj, Student Coordinator and final year student of the ECE department welcomed everyone in the meeting. Prof. T.V. Arjunan, Dean, SoS(E&T) then addressed the meeting and spoke about the objective of this get-together. Then Dr. Soma Das, HoD ECE and convener of this program briefed everyone about the program and Mrs. Bhawna Shukla Asst. Prof ECE and the Coordinator of this series took the responsibility to address the speakers. The speakers, Mr. Deepak Verma, Sr. Technology and Regional Manager (India & Asia Pacific) at MediaT ek India (Alumni 2002), and Mr. Chandra Sekhar Nandipati, Software Engineer at Intercontinental Exchange, Georgia, United States (Alumni 2015) gave a brief introduction about themselves. Prof. Shailendra Kumar, Registrar, and Patron of this

program took out some of his valuable time to welcome the speakers and talked about the recent developments in the University and assured that our university would reach new heights in the upcoming future. In the context of the program, Prof. Alok Kumar Chakrawal, Hon'ble Vice-Chancellor and Chief Patron of this Lecture series appreciated the program with his valuable words and focused on the importance of the Alma Mater of the university. He emphasized the value that an Alumni adds to the university and also shared his own experience. Mrs. Praveena Rajput Asst. Prof ECE and coordinator of this program then thanked everyone behind the conduction of this series. Our first speaker Mr. Deepak Verma shared his experiences with everyone and enlightened the students about the Scope of ECE in India and future opportunities. He also motivated the students to pursue a career out of their interest and after doing self-evaluation and then cleared numerous doubts of students related to their career. Our second speaker of the day, Mr. Chandra Sekhar Nandipati, reflected his thoughts on having the right mindset and stressed upcoming and current technologies being used in the industry. He then moved forward to share the strategies behind cracking competitive exams and correct ways of building an attractive resume. More than 200 students attended the meeting and gained insights about opportunities in ECE. The feedback form was rolled out to every student to know about the quality of the program conducted and the future topics on which webinars should be conducted. The program concluded with a vote of thanks from Mrs. Pragati Patharia, Asst. Prof ECE.
