A Brief about the Event: ECE Lecture series

A talk on the topic “How to prepare for GATE and build your career” was held on 12th of July 2023, 11:00 am at E-Classroom, New IT building, GGV Bilaspur as ECE lecture Series in the session AY2023-24. The talk was delivered by ECE alumna Miss. Shreshatha Gupta, graduating year 2021. She completed her Masters of Technology in Electrical Engineering from IIT Kanpur and got placed in Intel Bangalore as Graphic Hardware Engineer. The event is attended by 115 number of students of ECE department along with faculty members.

In her talk she shared her preparation strategies for GATE and asked to pay attention to the basic concepts and practice on problem solving. She mentioned key points for preparing for placement and recommended for one page resume for fresher. She also shared the type of question asked during her Intel interview. She motivated the students by sharing her experience of environment and student work culture at IIT Kanpur. After the talk she interacted with students by answering their queries. The session was very fruitful for the Gate aspirants and placement. The program concluded with a vote of thanks by Asst. Professor Jitendra Bhardwaj, on the behalf of ECE department and refreshment was arranged for the guest and faculties. Memories of event are captured by following images.
