

IIIE Student Chapter, Guru Ghasidas Vishwavidyalaya (A Central University), Bilaspur

*ATL Talk on “Waste Management For Cleaner Environment” Conducted by NITI
AAYOG at Bilaspur*

By: Dr. Ganesh Prasad Shukla

(Assistant Professor in Dept. of IPE & Faculty Advisor of IIIE Student Chapter, Guru Ghasidas
Vishwavidyalaya)

On 07th August 2023, a highly informative and enlightening ATL (Atal Tinkering Lab) Talk “*Tinkerathon 2023*” was organized by NITI Aayog at Government Multipurpose School, Bilaspur. The talk focused on the crucial topic of “*Waste Management For Cleaner Environment*”. The presentation was delivered by *Dr. Ganesh Prasad Shukla*, an accomplished professional in the field of Academics. The event was part of NITI Aayog’s ongoing efforts to create awareness and promote sustainable practices among the youth to address environmental challenges. The ATL Talk was structured to address various aspects of waste management and its importance in creating a cleaner and healthier environment. Students and Teachers from different institutions joined the talk through online mode.

The objective of this event was to raise awareness among students and participants about the critical importance of effective waste management in creating a cleaner environment. The program sought to engage the youth, particularly students, in discussions and activities related to waste management. By targeting young minds, the program aimed to instill a sense of responsibility and empower them to actively contribute to environmental sustainability. The program sought to make participants aware of the government’s initiatives, policies, and campaigns related to waste management and environmental sustainability. The program aimed to motivate and inspire participants by showcasing success stories and highlighting the positive impact of waste management initiatives. By presenting examples of individuals and communities that have made a difference, the program aimed to encourage participants to take up similar endeavors. The program’s interactive session aimed to provide participants with the opportunity to engage in discussions, ask questions, and share their insights.
