## Report

Today on 20/12/2021, School of Studies in Engineering and Technology has inaugurated the conduction of Student Induction Program (SIP) for the newly admitted first year students. The program was conducted under the aegis of Dr. (Prof) T.V Arjunan (Dean of SoS., E&T), where Dr. Atul Kumar Sahu is the coordinator and Mr. Rochak Pandey, Mr. Manish Bhaskar and Dr. Sandeep Dharmadhikari are the co-coordinators for the program. Prof. Alok Kumar Chakrawal, HVC, Chief Guest of the program, and Prof. Shailendra Kumar, Registrar, Guru Ghasidas Vishwavidyalaya was supposed to join program but due to some urgent and unavoidable meeting, could not join the program.

Approximately, 350 newly admitted B.Tech first year students have participated in the Induction Program along with Dean (SoS, E&T), Dr.(Prof) Sanjay Kumar and Dr.(Prof) G.R. Sinha, Seven HoDs of Engineering and Technology, Faculty Members, Section In-charges etc. The inaugural was started by welcome speech presented by Dr. Atul Kumar Sahu at online platform.

Dr.(Prof) Sanjay Kumar , Professor & Head Pt. RSSU, Raipur and Prof. G.R Sinha (Adjunct Professor at International Institute of Information Technology Bangalore (IIITB) and deputed Professor at Myanmar Institute of Information Technology Mandalay Myanmar) are the chief guest of the program. In the Program, Dean (SOSE&T) has briefly introduced the motivation and awareness.

Dr.(Prof) Sanjay Kumar discussed about self-awareness involves a system of personal checks and balances that keep you focused, on task and moving forward in a goal-oriented fashion. A sense of self-awareness and motivation helps you stay focused on what's most important to you on the job and in your life.

Next, resource person was Prof. G. R Sinha has presented a talk on "Motivation and Awareness" to enriched student knowledge on employability, ethics, attitudes and has shared their valuable knowledge and experience with the students of first year. He said motivation is important because it provides you with goals to work towards helps you solve problems and helps you change old habits.

Second Session started by lecture of Mr. Anish Shrivastava, Director, Training and Placement, Sreyas Institute of Engineering and Technology, Hyderabad, India. He said Training and Placement Cell is to guide students to choose right career and to give knowledge, skill, and aptitude and meet the manpower requirements of the Industry.

Next lecture delivered by Dr. R.N. Patel, Associate Professor Department of Electrical Engineering, NIT, Raipur. He discussed and motivated the students for explaining the policy aims, streamline and strengthen the innovation and entrepreneurial ecosystem in campus and will be instrumental in leveraging the potential of science, student's creative problem solving and entrepreneurial mind-set, and promoting a strong intra and inter-institutional partnerships.
