i Informatyki
Stosowanej

Dear Mr. Manish Das,

I am pleased to invite you to Poland for a Research assistant in my group for a period of 10 months starting December 1, 2022. During your stay, you will conduct scientific research on positronium decays under my supervision at the Faculty of Physics, Astronomy and Applied Computer Science, Jagiellonian University.

For your stay you will receive financial support in the amount of 2500 PLN (netto) per month. In September 2023, this position can be extended by mutual agreement. In June 2023, you will have the opportunity to take the doctoral examination for pursuing the regular doctoral studies at the Jagiellonian University.

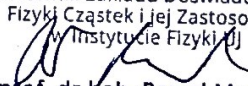

Regarding accommodation, as a member of the research group at Jagiellonian University, you will receive an offer for accommodation in the student dormitory at our expense.

Hoping that you can accept my invitation.

Looking forward to seeing you in Cracow.

Sincerely Yours,

Kierownik Zakładu Doświadczalnej
Fizyki Cząstek i jej Zastosowań
w Instytucie Fizyki (Ij)
