8.	Valedictory function	

The Inaugural program was presided over by Honorable Vice Chancellor, Dr. Anjila Gupta where Shri Rajesh Skhatriya, Assistant Drug Controller, Bilaspur Division, was present as a Chief Guest. HVC has appreciated the initiative for the Skill Development program cum workshop for inculcating professional ethics and skills among the students of Pharmacy which is the integral part of the health triangle. Chief Guest, Shri Rajesh Kshatriya pointed out the necessity of the ethics and skills among pharmacy professionals working in the society in various fields of public health.

All the guest lectures arranged in various areas of pharmacy profession were in a way, the eye openers to the students. The Guest Lecture of Dr. Rajesh B. Navale, Associate Professor, Government College of Pharmacy, was very informative at the juncture of the changing face of the Pharmacy profession where the Pharmacist are being prepared for the pharmacy practice in India.

Shri Atul Kaushik, Medicia Pharma, Zonal Head, Raipur were very motivating for the students being associated with the Marketing skills of the Pharmaceuticals.

The Hospital visit to Apollo Hospital, Bilaspur was also arranged on the second day to to make the students aware of the Hospital Pharmacy working and Management. All the students were well received by the Apollo Hospital. They were given in-dept exposure to the various areas associated with the Hospital Pharmacy.

The Valedictory function was presided over by the Registrar, GGV, Bilaspur and Prof. J. S. Dangi, Dean, Natural Resources, were present during the program. Total 75 students of the B. Pharm. and D. Pharm. courses were registered for the above Skill Development program. Dr. Anjila Gupta, Honorable Vice Chancellor, has provided full support for the activities. Dr. Vinod D. Rangari, **Dr. Vinod D. Rangari**, HOD and Coordinator - Skill Development Program, Co-coordinator, Dr. Sanjay Bharti and faculty members have worked hard for the successful organization of the program. Dr. Rajesh Bhushan, Nodal Officer, Skill Development Program has given his full involvement in the activities of the workshop.

The press news of the skill development program was specifically made the headline in the Times of India, Raipur.

Press Release of the program are given herewith for the record.

## THE TIMES OF INDIA Guru Ghasidas Central University hosts workshop on ethics for Pharmacists

TNN | Oct 6, 2016, 08.03 AM IST

RAIPUR: A two-day workshop on "ethics and skills for pharmacists to serve the society" concluded at Guru Ghasidas Central University on Wednesday. The workshop was jointly organised by skill development centre and pharmacy department of the university. The workshop was inaugurated on Tuesday by Prof Anjila Gupta, vice-chancellor of the university. Rajesh Khstriya, Assistant Drug Controller, Bilaspur, was the special guest on the occasion. Addressing the participants during the workshop, experts informed them as to how pharmacists established their industry beyond retail counters. They gave examples of various pharmacists and medical representatives who have been successful in establishing their industry in such a manner. As many as 75 students of pharmacy department were taken on a tour of Apollo Hospital on Wednesday during the second session of the workshop.
