

# Special Guest Lecture

Date- August 9, 2023

## Report on Basics of Research Methodology

A lecture on the Basics of Research Methodology was organised for Pre-PhD scholars on **August 9, 2023**, at the Department of Commerce, Guru Ghasidas Central University, Bilaspur, Chhattisgarh. Former Head of the Department, Professor H.N. Aggarwal, Saurashtra University Gujarat, drew the attention of the faculty members and research scholars to the basics of research methodology and its process. Professor Aggarwal highlighted each step of the research process- defining the research problem, research design, formulation of hypothesis, determination of sources of information, questionnaire, schedule, interview, methods of data collection, analysis of data and along with the explanation of how to use the various techniques and tools used for good research work, so that the society and the nation can benefitted from it.

The Head of the Department Dr. Bhuvana Venkatraman, gave the welcome address. Dean, School of Commerce and Management, Professor AK Mishra, also expressed his views related to the research. Stage management done by Dr Amit Manglani and Dr Munshi Ram gave the vote of thanks.
