Prof. Alok Kumar Singh Kushwaha Co-ordinator TEC, Ghasidas Vishwavidyalaya, Bilaspur (C.G.) other Deans of the Guru Ghasidas Vishwavidyalaya, Heads of various Departments, Faculty Members, Research Scholars, and University students attended the event.. Dr. Bhavana Dixit, Assistant Professor and Dr. Gunjan Patil, Assistant Professor, Department of Forestry are organising Secretary of 4 days technology transfer Workshop on “Bamboo Art and Wood Based Novel Products” organised by Technology Enabling Center with the collaboration of Department of Forestry, Wildlife and Environmental Sciences.

The main objectives of the workshop is to develop students self-reliance and entrepreneurial skill under the GGV flagship Scheme “Swavlambi Chhattisgarh”. Workshop aims to developing new ideas and concept in the bamboo and wood craft. Also provide the employment opportunity to the local students directly or indirectly from the training and marketing of bamboo product.

Prof. Chakrawal, the Chief Guest, mentioned the value of bamboo in the livelihood of rural and tribal people at the event. According to him, the central university is always working to preserve the biodiversity of Chhattisgarh and central India by undertaking various programmes in partnership with various organisations and the state government. Production of the variety of product from bamboo and woods useful for decorative ,furniture and household purposes .This products not only gives students skilful but also gives future entrepreneurial skill . The focus of special guest Shri. Raju Agasimani (IFS), CCF, Raipur Circle, Forest and Climate Change Govt of Chhattisgarh was on common man

forests and the part bamboo played in popularising them. He added that they would continue to support the forestry department in its efforts to improve the conditions for forestry students and to develop their skills. He asked forestry students to participate in the data gathering and analysis of forest plantations for their internationalisation. Additionally speaking at the event were Professor Manish Srivastava, Registrar of GGV, Professor S. S. C. Tiwari Dean of SOS Natural Resources, Professor K. K. Chandra, Head of the Department of Forestry.
