**Assistant Professor**

# RESEARCH SCHOLARS

# ABOUT THE DEPARTMENT

- The Department of Forensic Science has been established on 12th October in the year 2012. Department has being introduced under the School of Life Sciences, at present the department is running under the SoS - IER. Guru Ghasidas Vishwavidyalaya, (A Central University) Bilaspur, Chhattisgarh.
- The department is running UG & PG in Forensic Science with the intake of 37 & 45 Students respectively.
- The department has started Ph.D. program in Forensic Science from the academic session 2021-22.

# VISION OF THE DEPARTMENT

- An aid to the Criminal Justice delivery system.
- Development of Forensic Science in India
- Status of Forensic Science in India — a situation analysis
- The emerging scenario of Blue-Collar & White-Collar crimes
- Promote R&D in Forensic Science

# MISSION OF THE DEPARTMENT

- To provide High Quality Education in the field of Forensic Science.
- To provide education and practical experiences through training, research and project works
- To develop communication skills in students for discussing their laboratory findings and also to present an expert opinion in the court of law.
- To develop the importance of ethical behaviour and professionalism among students in Forensic Science Community.

# MISSION CONT.

- To provide hands on training in Forensic laboratories with respect to examination and analysis of evidences.
- To develop an understanding of importance of interaction between law enforcement, Science and legal professions.
- To carry out research and development in forensic science, crime scene investigation and digital and cyber forensics.

# OBJECTIVE OF THE DEPARTMENT

- **OBJECTIVE:** To uphold the law and legal or justice system by providing proper Forensic knowledge for crime scene investigations.

*At present the department is running UG and PG courses in forensic science since 2012 & Ph.D. Course has been offered from the session 2021-22. Approx. 10% students' pass out students of UG & PG has been employed in different Government, Semi Government and Non-Government organizations:*

- More than 30 students have been qualified UGC-NET-Assistant Professor, examinations
- 07 students have got jobs of Assistant Professors in different private organizations.
- 23 students have been Qualified for FACT & FACT plus Examination-2022 conducted by the Ministry of Home affairs (MHA), Govt. of India
- 05 Students are working as Forensic Professional in CFSLs- MHA, India.

# FACILITIES OF THE DEPARTMENT

- **Library Facilities:**

In addition to the university's comprehensive Central Library, the department has its own departmental library with far more than 250 national and global editions of text books, reference books, dissertation, and a forensic encyclopedia, many of which are available in multiple copies to meet the need of the department's students.

# DEPARTMENT FACILITIES

# RESEARCH FACILITIES

- A distinct atmosphere is established by the department's vast range of discipline, which promotes both core and interdisciplinary research in a variety of emerging fields like toxicology, molecular biology, medicine, serology, and environmental forensics.
- Additionally, we have a well-established laboratory that makes it possible for researchers and students to pursue their research projects and improve their practical knowledge, which involves a wide range of laboratory apparatus.
