Report on Celebration of Teacher's Day,

Date: 05.09.2023

"Great teachers make ordinary students extraordinary". And so are the teachers of the Department of Political Science. To give a tribute to the teachers and to celebrate the occasion of Teachers day on 5th of September, a celebration was held.

In this program a cultural fest was conducted with a speech on the contribution of Dr. Sarvapalli Radhakrishnan whose birth anniversary is celebrated as Teachers' Day was delivered. Students wholeheartedly performed in poems, dance, and songs which even included rap songs and a few games were played by the teachers.

Any nation's progress depends greatly on its teachers. For this reason, it's crucial to designate a day where teachers receive the respect they merit. To recognize the impact that teachers have had on our lives, we celebrate Teachers' Day.
