8th August, 2021

Subject: National Webinar on Use of Technology in Education

Respected Madam/Sir,

As you are aware, we are celebrating completion of one year of Transformative Reforms under National Education Policy, 2020. On this occasion, weeklong theme-based Webinars are being held. **Hon'ble Prime Minister of India, Shri Narendra Modi Ji** inaugurated the event on 29th July, 2021 and launched several initiatives on this historic occasion.

One of the major thrust areas of NEP-2020 is 'Use and Integration of Technology' to improve the multiple aspects of education. In this regard, the Ministry of Education (MoE) and University Grants Commission (UGC) are organising a **National Webinar on Use of Technology in Education on 10th August (Tuesday), 2021 from 11 am onwards**. I am glad to inform you that **Shri Ashwini Vaishnaw, Hon'ble Minister of Railways, Communications, and Electronics & Information Technology, Government of India** has very kindly consented to grace the occasion and deliver the inaugural address.

The Webinar will have sessions dedicated to National Education Technology Forum, Use of Technology for Operationalization of Academic Bank of Credits and Digital Learning through MOOCS/Virtual University. Experts from the field of educational technology, eminent academicians and senior officials from the Ministry of Education will give their valuable inputs during different sessions.

I take this opportunity to cordially invite you along with students, faculty and other stakeholders of your esteemed Institutions for joining the Webinar and gain valuable insights from experts.

The programme can be joined LIVE via:

UGC YouTube Channel : <https://www.youtube.com/channel/UCIbbWYTjSiXnhShJ0Z1-05g>
