**Consultancy Services for Structural Elucidation using
 FT-IR spectroscopy
 (Individual consultancy using lab facilities)**

The consultancy services for structural elucidation (Identification of molecular components and structures) using FT-IR Spectroscopy will be extended by Department of Pharmacy to the individuals interested/involving in research work in science subjects (Pharmacy, Chemistry, Botany, Zoology, Biotechnology etc). The charges are as follows:

User Type	FTIR (Rs. Per sample)
PG / Ph. D. pursuing students	Rs.400
Industrial Users / R&D Institute	Rs.1000

Note :

1. If support regarding interpretation of IR data is required then additional Rs.250 per sample will be charged.
2. The analytical/ spectra are provided only for research and development purposes. These cannot be used as certification in legal disputes.
3. Provide solid samples in powder form (minimum amount required 5-10 mg). Samples may be in liquid form (minimum amount required 0.2 ml).
4. Charges are not refundable at any cost.
5. Application Performa, Samples and payment details should be sent preferably in the same cover. Samples will not be analyzed until payment is received.
6. Radioactive material, unstable and explosive compounds are not accepted for analysis.
7. Research fellows and students are advised to send their application/ proforma and samples through their Supervisor or Head/Chairperson of Department concerned.

8. It is also desirable that analysis work done using this facility should be acknowledged in the publication/ thesis and a note in the regard may kindly be sent to us.
9. Persons interested in availing the consultancy services mentioned above should deposit the applicable fees to the University account mentioned below. Proof of payment need to be produced along with UTR number.
