30th to 31st March, 2016

Jointly Organized by
Department of Forestry, Wildlife & Environmental
Sciences and Skill Development Cell
GURU GHASIDAS VISHWAVIDYALAYA,
Bilaspur (Chhattisgarh), India.

Venue
Guru Ghasidas Vishwavidyalaya
Bilaspur (Chhattisgarh)

About the training program

Bamboo, the giant grass, with more than 111 genera and about 1575 species, occur in a wide variety of soil and climatic conditions around the globe and play a critical role in providing ecological, livelihood and food security to mankind. Since ages, people in India have been involved in making bamboo products for storage and other domestic and agricultural uses. In modern context bamboo has been used as one of the raw material to replace various applications of wood, plastic and metal through design intervention, to make products for use in day to day life. In this context there are many institutions and organizations are working in various sectors for the development of bamboo right from production of plants, plantation to design, value addition etc. which support entrepreneurs investing in this sector. Based on the analysis of demand supply scenario, the missing link in the demand-supply chain seems to be the serious dearth of Human Resources at every level with the required skill sets for the sector- from Architects, Designers, Engineers, Scientists, and Entrepreneurs etc to mid level Supervisors, contractors, to execution level skilled Workers and Artisans. A comprehensive structured Skill Development Program combining basic education and vocational courses for various technologies related to Bamboo could establish this vital link and seems to be the need of the hour. The two days training program on Bamboo handicraft skill development will promote creation of new designs for innovative products in the handicrafts sector along with appropriate skill development and capacity building to entrepreneurship among the students which is expected to create greater business opportunities at various levels.

Organizing Committee

CHIEF PATRON

Prof. Anjila Gupta, Honorable, Vice Chancellor.
Guru Ghasidas Vishwavidyalaya, Bilaspur.

PATRON

Prof. J.S. Dangi, Dean, School of Natural Sciences
Guru Ghasidas Vishwavidyalaya, Bilaspur.

Prof. S.S.Singh

Dr. Rashmi Agrawal

Department of Forestry, Wildlife & Environmental Sciences,
Guru Ghasidas Vishwavidyalaya, Bilaspur.

Dr. Rajesh Bhushan, Nodal Officer, Skill Development Cell
Guru Ghasidas Vishwavidyalaya, Bilaspur.
