About The University:

Guru Ghasidas Vishwavidyalaya, the only Central university of the state, is situated in a socially and economically challenged area and is appropriately named after great Satnami Saint Guru Ghasidas, who championed the cause of the downtrodden and waged a relentless struggle against all forms of social evils and injustice prevailing in the society. The University is providing quality higher education and research to socially and economically challenged youths of the region. It is spread over about 655 acres of land. Having more than 8000 students and research scholars on roll, it conducts more than 62 demand-driven courses in 32 departments under 11 Schools of Studies in addition to National Centers for Endangered Languages, HRDC and Accelerator Based Research (NCAR). The university is blessed to be in a region having magnificent social and cultural heritage, especially the tribal traditions and practices, wonderful legacy of the inherent intellect and a rich bio-diversity.

About the Department:

The Department of Education currently offers the Two-Year Programmes viz., B.Ed., B.Ed. Special Education (Hearing Impaired), B.Ed. Special Education (Learning Disabilities) and M.Ed. along with the Direct Ph.D. programmes.

Since its inception in 2007, the Department of Education is committed to bring out the best potentials of its students to develop them as empowered and envisioned leaders of Indian Education. The Department possesses a team of able and sensitive teachers, striving to promote among the prospective teachers and the teacher educators- a high standard of knowledge, professional skills, cultural understanding, social responsibility and synergistic progress within a truly multicultural educational environment. It offers state-of-art curricula incorporating the modern thoughts in the field of teacher education. It also provides sensitization regarding the need, value and place of teaching professionals through ample practical experiences. All the educational experiences are designed to develop competence to face the placement market and to get through competitive examinations. A significant number of our students have qualified the competitive examinations like, CTET, State specific TETs, NET and SLET in the foregone sessions, and also join the respected profession of nation building. The department is known for its discipline and student-friendly environment providing excellent technological facilities, quality knowledge resources (a rich library, internet facilities as well as regular seminars, workshops, community programmes and other co-curricular experiences) and potent research experiences.

About the Workshop:

Research matters more than anything else in defining excellence in institutions of higher education. It is one of the major components of higher education and an important parameter in the ranking of higher education institutions world-wide. In recent years, objective of all higher education institutions is to refinement of the knowledge system by conducting researches and publishing quality research works. Hence, research is the central component of higher education's mission and vision. It is a great concern to imbibe the best practices to have quality research work in global standards. In order to get a good grade in the institute and in order to behave ethically and perform better in the academic world, one has to prepare content, which is free of plagiarism. But, it is an increasingly difficult task in the modern world to write and publish effective content. Many researchers pointed out that plagiarism free research paper makes a researcher to become confident author. Plagiarism is one of the serious issues that can threaten not only the integrity of the research but also one's standing in the research community. An understanding of the ethical boundaries and 'rules' is paramount to ensuring research work and career get off to the best start possible. Hence, the aim of this workshop is to improve the quality of research among faculty members of higher education and research scholars by giving them a clear understanding about causes and consequences of plagiarism and what are the different software and strategies available to reduce it. Theoretical and practical hands-on activity will be organised by the expert so that the participants will fully adopt the academic honesty and academic integrity practices in their research works.

Objectives of the workshop: The proposed academic enrichment activity enables the participants to:

- 1. Write and publish good quality research works**
- 2. Identify and report the unethical practices and misconduct in research.**
- 3. Improve the quality of research and publication.**

TARGET GROUP: -

Faculty members of higher education and Research Scholars.

Number of seats : 50 Participants for each phase .

Certificate: After successful completion of workshop certificate will be issued to participants.

VENUE: Online google meet.
