National Seminar
on
**Frontier Areas of
Research in Forest
and Wildlife Sciences**

24th January, 2024

Guru Ghasidas Vishwavidyalaya, is a Central University of India, located in smart city Bilaspur, Chhattisgarh, Central India, established under Central Universities Act 2009, No. 25 of 2009. GGV is an active member of the Association of Indian Universities and Association of Commonwealth Universities. Situated in a socially and economically challenged area, the University is appropriately named to honor the great Satnami Saint Guru Ghasidas (born in 17th century), who championed the cause of the downtrodden and waged a relentless struggle against all forms of social evils and injustice prevailing in the society.

The Department of Forestry, Wildlife & Environmental Sciences under the School of Natural Resources was established in the year 1989 and is currently accredited with 'A++' Grade by ICFRE, Dehradun. The Department offers B.Sc. Forestry, B.Sc. Organic Farming, M.Sc. (Forestry & Environmental Sciences) and Ph.D. (Forestry & Environmental Sciences) programmes. At present, the Department have initiated several projects of plantations (bamboo, rare and endangered tree species, fruit orchard) to make the university campus carbon neutral. The Department have also organized several conferences, seminars, workshops, and training programs in the recent past.

Forests and wildlife are interdependent and essential components of our natural world. They play a pivotal role in maintaining ecological balance, providing resources for human sustenance, and offering a habitat for a diverse array of species. This interconnectedness is often referred to as the "web of life," where each component, be it a forest, wildlife species, or the environment, depends on the others for its survival and well-being. Preserving the integrity of forests, protecting wildlife, and safeguarding the environment are essential for maintaining the delicate balance of our planet's ecosystems. Conservation efforts and sustainable practices are crucial to ensuring that future generations can continue to benefit from these invaluable natural resources.

As our understanding of the interplay between forests, wildlife, and the environment deepens, it becomes increasingly clear that we must act responsibly and ethically to safeguard these interdependent systems for the benefit of all living beings on Earth.

This seminars will serve as platform for knowledge exchange and collaborative efforts to promote sustainable conservation and management of forests and wildlife. Participants will be typically engage in discussions on topics such as biodiversity conservation, ecosystem protection, climate change mitigation, and the development of responsible environmental policies. The outcome of such seminars often contribute to the formulation of strategies and actions aimed at preserving our natural resources for current and future generations.

Seminar Themes

- 1. Sustainable forestry practices for a changing world**
- 2. Biodiversity conservation in managed forests**
- 3. Forest certification and eco-labeling**
- 4. Habitat restoration and wildlife corridors**
- 5. Human-wildlife conflict mitigation**
- 6. Climate change impacts on forests and wildlife**
- 7. Ecotourism and recreational opportunities in natural forest areas**
- 8. The economic and social benefits of healthy forest ecosystems**
- 9. Water resources mapping in protected areas**
- 10. Ecological restoration of degraded forests and ecosystems**
- 11. Remote sensing and GIS applications in forestry and wildlife management**
- 12. Community-based forestry: engaging local perspectives**

Abstract Format

Title of the manuscript (Times New Roman, bold, font size 14) followed by Author(s) name, affiliation(s) and email of corresponding author (Times New Roman, italics, font size 12), Abstract should be less than 250 words along with five keywords (Times New Roman, font size 12, spacing double). Abstract should be submitted through E-mail (wsdforestryggv@gmail.com) attachment only.

Deadline

Registration and Abstract Submission
10th January, 2024

Registration Fee

1. Academicians/Faculties/Scientists/Forest Officers/Working Professionals- Rs. 1000.
2. Research Scholars/Students- Rs. 500.

Registration fee can be paid through online mode only.

Bank Details:

Account Number- 37137162271
Account Name- Registrar, Guru Ghasidas Vishwavidyalaya, Bilaspur
Bank Name- State Bank of India, Koni
IFSC Code-SBIN0018879

National Organising Committee

- Dr. Ayyanadar Arunachalam, Director ICAR-CAFRI, Jhansi
- Dr. Yogesh Kumar Dubey, IIFM, Bhopal
- Shri. Praful Fulzele (IFS) CEO, MFP, Federation, MP Forest, Bhopal
- Dr. Tribhuvan Singh, Sr. Scientist, CCOST
- Dr. Fatima Shirin, ICFRE- TFRI, Jabalpur
- Prof. Awadhesh Kumar, NERIST, Itanagar
- Dr. Yogeshwar Mishra, ICFRE- IFP, Ranchi
- Dr. Manoj Kumar Dubey, ICFRE-IWST, Bengaluru
- Prof. Manmohan J. Dobriyal, RABCAU, Jhansi
- Dr. Vijay M. Ilokar, DPDKV, Akola
- Prof. S.K. Tripathi, Mizoram University, Mizoram
- Dr. Nishith Dharaiya, HNGU, Gujarat
- Dr. Manoj Kumar, FRI, Dehradun
- Dr Aniruddha Majumder, SFRI, Jabalpur
- Dr. Santosh K. Shah, BSIP, Lucknow
- Prof. Lalji Singh, IGKV, Raipur
- Dr. R.K.S. Tiwari, TCB, Bilaspur
- Dr. Ajay K. Srivastava, St. Xavier's College, Ranchi
- Shri Ravish Kumar, EM, TSMPL, Jharkhand
