

ABOUT UNIVERSITI KEBANGSAAN MALAYSIA

Universiti Kebangsaan Malaysia (UKM) or the National University of Malaysia established in 1971 is located adjacent to Malaysia's administration city of Putrajaya. The university's mission is to be ahead of society and time in leading the development of a learned, dynamic and moral society. UKM, as a public university of choice and the only National University in Malaysia, attracts local and international students by offering a vast number of programs at undergraduate and postgraduate levels. UKM has bagged several awards and recognitions at national and international level. It is the first university in Malaysia to receive the ISO 9000 accreditation in 1998. In 2008, UKM has also obtained the self-accreditation status by the Minister of Higher Education. The conferment of these awards reflects the excellent ability of UKM in managing, administering and assuring a good quality of its academic programs. UKM is a university which is international in its outlook that maintains and cherishes the national cultures and values successfully.

ABOUT THE SOLAR ENERGY RESEARCH INSTITUTE (SERI) AND THE MECHANICAL ENGINEERING DEPARTMENT (GGV)

Solar Energy Research Institute (SERI) was established on 1st July 2005. It was formed to address the immediate issue of fossil fuels consumption that is causing environmental pollution and global warming. Fossil fuels are limited in supply. To support this effort, SERI undertakes research and development to develop renewable energy technology and expertise in this challenging and exciting field. This is in line with our aim to develop scientific capacity and efficiency to produce skilled human capital to meet the demands of professional manpower needed in the public and private sectors.

Department of Mechanical Engineering was established in the School of Studies of Engineering and Technology in the year 2006. The department offers B.Tech. (Mechanical Engineering) and M. Tech. (Machine Design) programs with an intake of 75 and 23 respectively. The department puts lots of emphasis on training the students that brings out their inner capabilities and lead to their full growth and development. The department offers Ph.D. program also in different streams of Mechanical Engineering like Thermal and Fluids Engineering, Design Engineering, and Manufacturing Engineering, etc.

INTERNATIONAL ADVISORY BOARD

Prof. Yunus Cengel, University of Nevada, Reno, USA
Prof. Manfred Groll University of Stuttgart, Germany
Prof. Ooi Kim Tiow, Nanyang Technological University, Singapore
Prof. Muji Setiyo, Universitas Muhammadiyah Magelang, Indonesia
Prof. Hikmet S Aybar, Eastern Mediterranean University, Turkey
Prof. Mohan Lal Kolhe, University of Agder, Norway
Prof. Bidyut Baran Saha, Kyushu University, Japan
Prof. Muhammad Yahya, Institut of Teknologi Padang, Indonesia
Prof. Zaw Zaw Tun, Technological University Thanlyin, Myanmar
Prof. Alexander Golberg, Tel Aviv University, Israel
Prof. Bassam Dally, King Abdullah University of science and Technology, KSA
Prof. Nabil Beithou, Tafila Technical University, Jordan
Dr. Jose Martin Herreros, Associate Professor, University of Birmingham, UK
Dr. Jamel Orfi, Associate Professor, King Saudi University, Saudi Arabia
Dr. Angelo Basile, R&D Manager, Hydrogenia, Genova, Italy

ABOUT GURU GHASIDAS VISHWAVIDYALAYA, BILASPUR

Guru Ghasidas Vishwavidyalaya (GGV) is a Central University, situated in Bilaspur, Chhattisgarh. The university was established under the Central Universities Act 2009. Formerly it was known as Guru Ghasidas University (GGU), established by an act of the State Legislative Assembly, on June 16, 1983. GGV is an active member of the Association of Indian Universities and the Association of Commonwealth Universities. It is situated in a socially and economically challenged area of Chhattisgarh State. The university is appropriately named after the great Satnami Saint Guru Ghasidas, who championed the cause of the downtrodden and waged a relentless struggle against all forms of social evils prevailing in the then society. Vishwavidyalaya now draws about 7000 students from different parts of the country. Apart from the regular academics in the campus, the university has successfully managed to extend its services for the welfare of society. The campus is lush green, calm and quiet, free from urban noise and pollution, and an ideal temple for education and research.

SCOPE OF THE CONFERENCE

The scope of the International Conference on Advances in Renewable and Green Energy Technology (ICARGET 2023) at GGV, Bilaspur is to provide an interdisciplinary platform for the scientists, research scholars, engineers and practitioners to exchange and share their latest research innovations, investigations, results, ideas, developments and applications in all areas of Renewable Energy. It is an opportunity to discuss the recent developments in the fields of Renewable and Green Energy Technologies and review challenges faced by the community in the 21st century. This International Conference will consist of invited oral presentations. The students are encouraged through a reduced registration fee and the possibility of best logistical support. This conference attract participants from different countries and aim to facilitate global exchange of ideas and research. The scope of the conference are diverse topics of international significance, fostering cultural understanding, and addressing global challenges. The scope also cover broad themes like sustainability, innovation, or human rights, allowing participants to share knowledge and perspectives from different areas of expertise.

NATIONAL ADVISORY BOARD

Dr. Sanjeev Sanghi, Professor, IIT Delhi, New Delhi
Dr. Avinash Kumar Agarwal, Professor, IIT Kanpur, Uttar Pradesh
Dr. Bhupendra Kumar Gandhi, Professor, IIT Roorkee, Uttarakhand
Dr. P. Muthukumar, Professor, IIT Tirupati, Andhra Pradesh
Dr. Abid Haleem, Professor, Jamia Millia Islamia University, New Delhi
Dr. M. Muthuraman, Add. General Manager, NTPC Sipat, Bilaspur
Dr. Jahar Sarkar, Associate Professor, IIT(BHU) Varanasi, Uttar Pradesh
Dr. Poulomi Roy, Principal Scientist, CSIR-CMERI, Durgapur, West Bengal
Dr. Sanjukta Subudhi, The Energy and Resources Institute (TERI), New Delhi
Dr. S. Murugan, Professor, NIT, Rourkela, Odissa
Dr. V. P. Chandramohan, Professor, NIT Warangal, Telangana
Dr. Mani Kant Paswan, Professor, NIT Jamshedpur, Jharkhand
Dr. Ravi Prakash, Professor, MNNIT Allahabad, Uttar Pradesh
Dr. Sukanta Roy, Associate Professor, NIT Mizoram
Dr. Tapan Gogoi, Professor, Tezpur University (A Central University), Assam
Dr. R. Elansezhian, Associate Professor, PTU, Pondicherry
Dr. M. Mohanraj, Professor, HICET, Coimbatore, Tamil Nādu

सीपत

International Conference on Advances in Renewable and Green Energy Technology (ICARGET-2023)

07th & 08th December, 2023

Organized By

Department of Mechanical Engineering
Guru Ghasidas Vishwavidyalaya
(A Central University)
Bilaspur, Chhattisgarh, India

In Collaboration With

Solar Energy Research Institute (SERI)
Universiti Kebangsaan Malaysia
(National University of Malaysia)
43600 UKM Bangi, Selangor, Malaysia

KEYNOTE SPEAKERS AND INVITEES

Prof. Kamaruzzaman Bin Sopjan
Honorary Professor, Solar Energy Research Institute (SERI),
Universiti Kebangsaan Malaysia
&
Professor, Department of Mechanical Engineering
Universiti Teknologi Petronas, Malaysia

Prof. Saidur Rahman
Professor & Head

Research Centre for Nano- Materials & Energy Technology
Sunway University Bandar, Malaysia

Prof. Abid Haleem

Professor, Department of Mechanical Engineering
Jamia Millia Islamia University, New Delhi, India

Prof. Avinash Kumar Agrawal

Professor, Indian Institute of Technology Kanpur
Uttar Pradesh, India

Prof. Manfred Groll

Institute of Nuclear Technology and Energy System
University of Stuttgart, Germany

Dr. P. Kanagavel

Director & Head, Skill Development and Training (SDT)
National Institute of Wind Energy (NIWE)
Velachery, Chennai, India

Prof. Stefano Malavasi

Professor & Scientific Head, Hydraulic Laboratory
Politecnico di Milano - D. I. C. A.
Piazza Leonardo da Vinci, Milano - Italy

Dr. Abul Kalam Hossain

Department of Mechanical Engineering,
Aston University, United Kingdom

Dr. Jose Martin Herreros

Associate Professor,
Department of Mechanical Engineering,
University of Birmingham, United Kingdom

Prof. S. Murugan

Professor, Department of Mechanical Engineering,
National Institute of Technology, Rourkela, India

Dr. Easwaramoorthi Ramasamy

Scientist E, Centre for Solar Energy Materials,
International Advanced Research Center for Powder
Metallurgy and New Materials, Hyderabad, India

GUIDELINES FOR MANUSCRIPT SUBMISSION

Submission of Manuscript	: 15 th October 2023	10 th November 2023
Notification of Acceptance of Manuscript	: 30 th October 2023	15 th November 2023
Submission of Registration Fee	: 5 th November 2023	18 th November 2023

- Paper format is available in the conference website, and authors are invited to submit their original unpublished paper through official website, email address [icarget2023@gmail.com] or <https://forms.gle/gt36vbiNdcFY1KR78>

ORGANISING COMMITTEE

CHIEF PATRON

Prof. Alok Kumar Chakrawal

Hon'ble Vice-Chancellor,
Guru Ghasidas Vishwavidyalaya (A Central University), Bilaspur (C.G.), India
PATRON

Prof. Manish Shrivastava

Registrar,
Guru Ghasidas Vishwavidyalaya (A Central University), Bilaspur (C.G.), India

CHAIRMAN

Prof. Sharad Chandra Shrivastava

Dean, School of Studies of Engineering & Technology,
Guru Ghasidas Vishwavidyalaya (A Central University), Bilaspur (C.G.), India

CO-CHAIRMAN

Dr. Mohd Adib Ibrahim

Director, Solar Energy Research Institute (SERI),
Universiti Kebangsaan Malaysia (National University of Malaysia)

CONVENORS

Prof. Kamaruzzaman Bin Sopjan

Professor, Solar Energy Research Institute (SERI),
Universiti Kebangsaan Malaysia, (National University of Malaysia)

Prof. T. V. Arjunan

Professor & Head, Department of Mechanical Engineering,
Guru Ghasidas Vishwavidyalaya (A Central University), Bilaspur (C.G.), India

CO-CONVENORS

Prof. Ir. Dr. Shahrir Bin Abdullah

Professor, Department of Mechanical & Manufacturing Engineering,
Universiti Kebangsaan Malaysia, (National University of Malaysia)

Prof. S. P. Anbuudayasankar

Professor, Department of Mechanical Engineering,
Guru Ghasidas Vishwavidyalaya (A Central University), Bilaspur (C.G.), India

ORGANISING SECRETARIES

Dr. Pankaj Kumar Gupta

Dr. Biplab Das

Dr. Jasinta Poonam Ekka

Dr. Samarjit Singh

ORGANISING MEMBER

Dr. T. G. Loganathan

Mrs. Shweta Singh

Mr. Bhushan Singh Gautam

Mr. Pradeep Patanwar

Dr. Anoop Kumar Sahu

Mr. Prashant Jangde

Mr. Manish Bhaskar

Mr. Prateek Gupta

SPONSORS

CALL FOR PAPERS

ICARGET 2023 invites full length original research article from academia, R & D establishments and industry professionals from India and abroad. The research article should not have been published or under review in any of the journals or conference proceedings. The research articles are invited in the following thrust areas (but not limited to)

Economic recovery

- Carbon neutral economy
- Economics of renewable energy
- Manufacturing issues and emissions trading
- Renewable energy for sustainable development
- Renewable energy integration, and the water and energy nexus

Policy issues

- Governance for low carbon communities and infrastructure
- Regulatory and policy issues
- Renewable energy to achieve the Sustainable Development Goals (SDGs)
- Remote area power supply (RAPS)
- Integration of renewable energy/distributed energy resources in power grids
- Energy for future electricity networks

Materials for renewable energy

- Renewable energy storage and conversion: Batteries, Supercapacitors, Fuel cells, Photovoltaics and solar cells
- Solar-driven reactions to hydrogen and fuels from renewables (Photocatalysis), Biofuels, and Carbon dioxide sequestration and conversion
- Thermoelectric, Novel illumination sources for efficient lighting, Energy saving, and Energy saving in building
- Advanced characterization techniques of materials

The built environment

- Bioclimatic architecture
- Decarbonising cities and regions
- Low energy architecture
- Smart cities and smart grids
- Zero carbon urban design
- Energy storage and batteries

Technology

- Biofuels and energy from waste
- Energy from biomass
- Geothermal energy
- Photovoltaic technologies
- Rooftop solar
- Wind energy
- Wave, tidal & ocean
- Solar thermal

Transport & Hydrogen economy

- Electric vehicles
- Renewable energy and transport
- Hydrogen and energy storage
- Green steel
- Green ammonia
- The hydrogen Highway

PUBLICATIONS

- The selected papers from this conference shall be considered for publication in one of the following journals as per the quality of the paper and scope of the journal:
 - Renewable Energy, (Elsevier Publications) Impact factor - 8.7 (SCI, Scopus Indexed).
 - Energy Sources, Part A, Recovery, Utilization, and Environmental Effects, (Taylor & Francis) Impact factor - 2.902 (SCI, Scopus Indexed).
 - Part E: Journal of Process Mechanical Engineering (Sage Publications) Impact factor - 2.4 (SCI, Scopus Indexed).
 - Transactions on Energy Systems and Engineering Applications (UTB Publications) (Scopus Indexed).
 - **Solar Compass- Journal of the International Solar Alliance, Open access journal (Elsevier Publications).
 - **EMERG - Energy, Environment, Efficiency, Resources, Globalization - Open access journal (WEC/RNC Publications) (Scopus Indexed)
- **The open access fees will be applicable as per journals norms.

- The papers which are not selected in the above listed journals will be published in the form of Book Chapters/Conference Proceedings (Abstract only) after getting consent from the authors.

REGISTRATION FEE

Category	Fee
UG Students	INR 1000
Research Scholars / PG Students	INR 2000
Faculty	INR 3000
Industry Delegates	INR 5000
Foreign Delegates	USD 100

- Conference shall be in blended (Online + Offline) mode. However, onsite presence is highly encouraged.
- Registration fee includes conference kit, working lunch, and high tea. It is not covered open access fee of the journals if any.
- Those who wish to attend the conference without submitting papers can do so by paying Rs 1000 for Indians & USD 100 for Foreign delegates.
- The registration fees paid will not be refunded/Cancellation will not be permitted.
- Limited guest house accommodation is available on first-come-first serve basis at nominal service charges.
- Registration should be done after getting the acceptance of paper through the website or <https://icarget2023.com/registration.html>
