National Seminar “Current Scenario of Forensic Science in Crime and Society”

12th to 13th October, 2023

Organised by
Department of Forensic Science

School of Studies in
Interdisciplinary Education and Research
Guru Ghasidas Vishwavidyalaya, Bilaspur

About Department

Forensic Science was introduced under School of Life sciences in university on 12th October, 2012, and now under the SoS of Interdisciplinary education and research (IER). It is a multidisciplinary field which not only uses scientific methods but also involves study of current crime trends, technology related to crimes, human psychology and thorough study of law. The main objective of the Department is to create students more skilled and professionally competent manpower capable to deal with the actual crime scenarios. The department offers UG, PG and Ph.D. programmes in different disciplines in Forensic science.

Date-12th and 13th October 2023

**Venue- Department of Biotechnology
Guru Ghasidas Vishwavidyalaya,
Bilaspur, C.G**

Theme-wise Award will be given for oral as well as Poster presentation.

All the Participant will get certificate of Participation/Presentation.

About Seminar

Department of Forensic Science GGV is the only Government funded department of Chhattisgarh which cater the fast-growing field of forensic Science by providing well trained and skillful manpower. The department was established on 12th October 2012 and since then the alumni of the department serving the forensic field in various capacity. On the completion of 11 successfully running, the department is going to organize a two-day national seminar. Since, Forensic Science is an interdisciplinary subject, so this seminar will provide the opportunity to experts of the various disciplines of Forensic Science to share their expertise with students as well as laws/police personnel. This will be of great help for the participants who are aspiring to be forensic professional in future.
