Department of Pure and Applied Mathematics
Guru Ghasidas Vishwavidyalaya
(A Central University)
Bilaspur (C.G.), 495009, INDIA

About the University

Guru Ghasidas Vishwavidyalaya (GGV) is a Central University, situated at Bilaspur, Chhattisgarh State, established under the Central Universities Act 2009. Formerly it was known as Guru Ghasidas University (GGU), established by an act of the State Legislative Assembly, on June 16, 1983.

GGV is situated in a socially and economically challenged area of Chhattisgarh State. The university is appropriately named after the great Satnami Saint Guru Ghasidas, who championed the cause of downtrodden and waged a relentless struggle against all forms of social evils prevailing in the then society.

About the Department

The Department of Pure and Applied Mathematics started functioning in the year 1989. It has established itself as an excellent centre for research and teaching in Algebra, Topology, Analysis, Approximation Theory, Geometry, Cryptography, Fuzzy Analysis and Mathematical Modeling under the active participation and guidance of dedicated faculty members. The Department regularly revises and upgrades curriculum (UG/PG and Ph.D) by introducing many new aspects of mathematics. The faculty members of the Department have the record of pursuing and completing collaborative/ interactive research work with many eminent mathematicians of the country and other part of the world.

About the Bilaspur City

Bilaspur is situated on the bank of river Arpa which has its own history in the holy books. The state capital Raipur is 111 kms from Bilaspur. It is the second largest city in Chhattisgarh and is known as NYAYADHANI because of the Hon'ble High Court of the state being situated here. The South East Central Railway (SECR) Zone and South-Eastern Coal Fields Limited (SECL) have their Headquarters in this city. The city is surrounded by many historical places and temples; Siddha Peeth Maa Mahamaya at Ratanpur and Amarkantak which is the origin of life line river of Madhya Pradesh. Swami Vivekanand airport at Raipur is the nearest airport to connect Bilaspur. Weather of Bilaspur is quite pleasant during the month of February.

About the Conference

This conference will provide an International forum for faculties, scholars, researchers, mathematicians, engineers, professionals, students, and academicians who are actively involved in research that provide cost effective solutions and valuable ideas leading to path breaking milestones of the futuristic engineering. The aim of this conference is to bring researchers at a common platform from various institutions, universities, colleges and industry for interaction and dissemination of their ideas.

Thrust Areas of the Conference
History of Mathematics, Algebra, Fixed Point Theory, Analysis, Differential Geometry, Cryptography and Information Security, Fuzzy Logic and Neural Network, Mathematical Modeling , Soft Computing , Optimization Techniques, Mathematics in Finance & Economics.

Submission of Abstracts / Full Length Papers

Abstracts and full length papers may be submitted throught **Email : icmsa2018@gmail.com** on or before February 15, 2018. For futher details please visit university website www.ggu.ac.in
