Message from HoD

ECE Department dedicates itself to the holistic development of students in terms of academics and career development. The course curriculum is revised from time to time to inculcate the latest trends for students growth. Graduates from our department have got global recognition in the academia arena, corporate and government jobs. Institute and industry interaction is the need of the hour. I heartily welcome both the recruiters and our graduating students to come to a common platform and get the best out of each other.
