ACKNOWLEDGEMENT

Working on this project has been a great learning experience for me. There was anxiety, when I could not solve a problem for several days and there were moments when I came over problems after a long struggle, but I enjoyed every bit of process.

Diligently working on this project, guidance and assistance have been received in variety of ways from many dimensions, including our revered teachers, colleagues and our seniors of this institute.

I express my deep sense of gratitude to **Dr. Sunil k Jain**, Assistant Professor of Pharmaceutics, Department of Pharmacy, for providing me all sorts of facilities and comments enriched by his experience which improved my ideas for betterment of project. Support and guidance received from him helped me to carry out the project. I utter a great debt of gratefulness for his constant advice, support, co-operation and encouragement throughout the project.

I express my sincere thanks and gratitude to **Dr. Bharti Ahirwar**, Head of Department. Department of Pharmacy, for her ever helping and support, and for her kind approval of our project work, and constant inspiration and necessary help and guidance.

It will be my pleasure to acknowledge all co-operation and valuable suggestions from time to time given by other staff members of Department of Pharmacy, whom I owe my entire knowledge of project and also I would like to thank all those persons who are directly or indirectly associated with this project.
