

Vineet Singh

An Introduction to Financial Management

LAP LAMBERT
Academic Publishing

Financial management plays an imperative role in managing financial affairs of a business enterprise. The various dimensions of financial management assist a business firm in taking accurate financial decisions at each and every stage. During preliminary stage financial management help a business firm to procure sufficient funds and that too at minimum possible cost with the techniques of capitalization, capital structure and cost of capital. Further it helps a business organization in proper utilization of funds through fixed assets management and working capital management. Finally a business enterprise distributes the surplus by adopting sound dividend policy. This book is an attempt to lay emphasis on various aspects of financial management.

Dr. Vineet Singh has completed his B.Com.(Hons.), M.Com, and Ph.D. from Banaras Hindu University. Honored with JRF in Commerce, he is currently working as an Assistant Professor in Department of Commerce, Guru Ghasidas Central University, Bilaspur, Chhattisgarh.
