FORWORDING CERTIFICATE

This is to certify that Miss. Jyoti Chandraker D/o Mr. Dasrathnandan Chandraker student of M. Pharm 4th semester (Pharmaceutics), Department of Pharmacy, Guru Ghasidas Vishwavidyalaya, Bilaspur submitted her dissertation work entitled "Development and Characterization of Cationic Nanocarriers for the Effective Management of Dry Eye Syndrome" for the partial fulfillment of the requirement for the award of degree of Master of Pharmacy (Pharmaceutics) with her truly and honestly observed inference during her research work under the supervision of Dr. K. Kesavan. Her work is satisfactory and is not submitted anywhere else for the award of any degree.

I hereby forward her thesis for the award of M. Pharm. degree in Pharmaceutics during the academic session 2021-2022.

ACKNOWLEDGMENT

A first most essential humble solicitation to the supreme power that always showers his blessing on me. GOD is giving me a chance to live an opportunity to do higher studies in this noble field of pharmacy.

I must specially mention some of the personalities and acknowledge them sincerely from the depth of my heart. Though it will be enough to express my gratitude in word to all those people who helped me, I would still like to give many many thanks to all.

It is a delightful moment for me, to put into words all my deep sense of gratitude to my esteemed guide, Dr.K. Kesavan, Asst. Prof. (Pharmaceutics) Department of Pharmacy, Guru Ghasidas Vishwavidyalaya, Bilaspur (C.G.) for providing necessary facilities, esteemed guidance, keen interest, kind nature, supervision, constant suggestion with encouragement, strengthening my ability and providing valuable time despite of his busy schedule.

I am very thankful to Dr.Bharti Ahirwar (HOD) for providing me the required facilities and also their timely words of advice, despite of their busy schedule.

I am also thankful to respected Dr.Alpana Ram, Dr. Ravishankar Pandey, Dr. S.K. Lanjhiana, Dr. K. P. Meena, Dr. S. K. Jain, Dr. Akhilesh. Jain, Dr. Shivani RaiPaliwal, Dr. Manoj Kumar, Dr. Harish Rajak, and other faculty members for their blessings and support throughout my project and post-graduation as well.

My special thanks go to Dr. P.Mohan from innermost core of my heart for their all type of motivation and guidance.

I would like to say thanks to my seniors Ms. Rashmi Madhariya, Ms. Ashmita Das, Mrs.Vibhuti. Mr. Vaibhav, Mr. Balram, Mr.Kavi Bhushan Singh Chouhan, Ms Ekta Shirbhate and all others for their guidance and support.

Its pleasure to express my gratitude whole heartly to my friends Neha Singh, Reena Kaushik, Priyanjna Bhagat, Shikha Pandey, A. Bharti Reddy, Balram Kaushik, Vagesh Verma and Tripti Karri without their company it would have been difficult for me to complete this stage of my life. I can not forget the moments that I have spent with them. Not a single task in this work can be finished without support from our friend

My deepest gratitude goes to my family who stood with me at all the times and whose support enable me to stand confidently against all difficult times. My Father Mr. Dasrathmandan Chandraker and My Mother Mrs.Nomin Chandrakerarethe perennial source of inspiration for me whose blessing are always with me which always helped me to move smoothly onto the road of success having number of dots on the way.

Jyoti Chandraker

LIST OF CHAPTERS

<i>CHAPTERS</i>	<i>TITLE</i>	<i>PAGE NO.</i>
1.	<i>Introduction</i>	1-22
1.1	<i>Anatomy and physiology of eye</i>	2- 8
1.2	<i>Dry Eye Syndrome</i>	9
1.2.1	<i>Pathophysiology</i>	9-11
1.2.2	<i>Risk Factors</i>	12
1.2.3	<i>Symptoms</i>	13
1.2.4	<i>Diagnosis</i>	14-16
1.2.5	<i>The drug used in the treatment of DES</i>	16-20
1.2.6	<i>Formulations used for DES treatment</i>	20-21
1.3	<i>Objective</i>	22
2.	<i>Literature review</i>	23-40
2.1	<i>Drug profile</i>	27-29
2.2	<i>Literature review of prednisolone</i>	29-30
2.3	<i>Excipient profile</i>	31-37
2.4	<i>Literature review of excipient</i>	37-40
3.	<i>Materials and Method</i>	41-48
3.1	<i>Materials</i>	41
3.2	<i>Preformulation Studies</i>	41
3.2.1	<i>Physical properties</i>	41
3.2.2	<i>Melting point determination</i>	41
3.2.3	<i>Solubility Study</i>	42
3.2.4	<i>UV Spectrum of Prednisolone</i>	42
3.2.5	<i>Preparation of calibration curve of prednisolone</i>	42
3.2.6	<i>FTIR spectrum of drug and excipient</i>	43

3.2.7	<i>Construction of pseudo-ternary phase diagram</i>	43-44
3.3	<i>Method of preparation</i>	45
3.4	<i>Characterization of developed microemulsions</i>	46
3.5	<i>In-vitro Drug Release Study</i>	47
3.6	<i>Mechanism of drug Release</i>	47
3.7	<i>Corneal Permeation</i>	47
3.8	<i>Irritation study</i>	48
4.	<i>Results and Discussion</i>	49-68
4.1	<i>Preformulation Studies</i>	49
4.1.2	<i>Physical properties</i>	49
4.1.3	<i>Melting point determination</i>	49-50
4.1.4	<i>Solubility Study</i>	50
4.1.4	<i>UV Spectrum of Prednisolone</i>	50-51
4.1.5	<i>Preparation of calibration curve of prednisolone</i>	51-52
4.1.6	<i>FTIR spectrum of drug and excipient</i>	52-56
4.1.7	<i>Construction of pseudo-ternary phase diagram</i>	57
4.2	<i>Method of preparation</i>	58
4.3	<i>Characterization of microemulsions</i>	59-61
4.4	<i>In-vitro Drug Release Study</i>	61-62
4.5	<i>Mechanism of drug Release</i>	63-65
4.6	<i>Corneal Permeation</i>	66
4.7	<i>Irritation study</i>	67-68
5.	<i>Summary and conclusion</i>	67-70
6.	<i>Bibliography</i>	71-78
