ACKNOWLEDGEMENT

“PRACTICE SCHOOL” is a part of my B. Pharm VIIITH project work. My topic for the same is **ADVANCED TECHNOLOGY FOR THE TREATMENT OF DIABETIC RATINOPATHY.**

I express my special thanks of gratitude to my teacher as well as supervisor “**Dr. K.P. MEENA**” sir for the guidance, support and kind direction. Also for giving me such an interesting topic. This helped me in doing a lot of research and enlightened me about so many new things which broadened my interest and knowledge.

I want to thank our Head of Department “**Dr. Bharti Ahirwar**” mam for giving us the opportunity to learn something different by the means of practice school.

MANSI NATHANI
