

ANTIHEPATOTOXIC EFFECT OF 4 – HYDROXYBENZYL ALCOHOL IN RATS

A Thesis

Submitted for Partial Fulfilment of the Requirement for the Award of Degree of

Master of Pharmacy
(Pharmacology)

2021-2022

Supervisor
Dr. Pradeep Kumar Samal
(M. Pharm, Ph.D.)
Assistant Professor
(Pharmacology)

Co-Supervisor
Dr. Bharti Abirwar
(Associate Professor and Head)

Submitted By
Bharti Vaishnav
(M. Pharm.IV Sem)

FORWARDING CERTIFICATE

This is to certify that **Ms. Bharti Vaishnav** a student of M. Pharm. Final semester (Pharmacology), has submitted her thesis work entitled **“ANTIHEPATOTOXIC EFFECT OF 4 – HYDROXYBENZYL ALCOHOL IN RATS”** for the partial fulfillment of the requirement for the Degree in **Master of Pharmacy (Pharmacology)**. She has completed her thesis in the joint supervision of myself and **Dr. Pradeep Kumar Samal**.

I hereby forward her thesis for evaluation.

CERTIFICATE

This is to certify that Ms. Bharti Vaishnaw D/o Mr. Shiv ram das Vaishnaw a student of M. Pharm. 4th semester (Pharmacology), has submitted her thesis entitled "**ANTIHEPATOTOXIC EFFECT OF 4-HYDROXYBENZYL ALCOHOL IN RATS**" for the partial fulfillment of the requirement for the Degree in **Master of Pharmacy (Pharmacology)**. She has completed her thesis under the joint supervision of me and **Dr. Bharti Ahirwar**. The result incorporated in this thesis has not been published by other researchers and it has not been submitted for any other degree in any other university.

The thesis is worthy of consideration for the award of the degree of Master of Pharmacy in Pharmacology.

We hereby forward her thesis for evaluation.

DECLARATION

I hereby declare that my M. Pharm thesis work entitled "**ANTIHEPATOTOXIC EFFECT OF 4 – HYDROXYBENZYL ALCOHOL IN RATS**" embodies my work except for the guidance, supervision, suggestion, and positive criticism from my guide **Dr. Pradeep Kumar Samal** and my co-guide **Dr. Bharti Ahirwar**. The same is submitted to the Department of Pharmacy, Guru Ghasidas Vishwavidyalaya, Bilaspur C.G. in partial fulfilment of the requirement for the **Degree of Master of Pharmacy (Pharmacology)**.

I further declare that to the best of my knowledge the thesis does not contain any part of any work which has been submitted for award of any degree in this university or in any other university/ deemed university without proper citation.

ACKNOWLEDGEMENT

Upon the successful accomplishment of this project, many people have bestowed their blessings and their heart pledged support, and hence this is the correct time to express my sincere gratitude to all of them who kept the never-ending faith on me.

I thank honorable Vice-Chancellor Professor Alok Kumar Chakrawal for permitting me to undertake my project work and providing necessary facilities in Guru Ghasidas Vishwavidyalaya.

I express my deep sense of gratitude and profound thanks to my supervisor, **Dr. Pradeep Kumar Samal**, and my co-Supervisor **Dr. Bharti Ahirwar**, for suggesting the topic, and guiding and planning my research program. Their enthusiasm, inspiration, and great efforts to explain things clearly and simply made science exciting for me. Throughout my M. pharm, they gave sound advice, good teaching, and a lot of good ideas which were highly encouraging. The best advisor and teacher I could have wished for. They have been actively involved in the work of all their students which has helped in shaping the work better. Apart from work, I cannot forget their valuable suggestions and messages which gave me the strength and the means of living a worthwhile life. I learned from them how to work in adverse conditions and how to cooperate with people. It is my great pleasure to dedicate this work to them. 'I am thankful to you both for making me what I am today' Thank you.

I am thankful to **Dr. Bharti Ahirwal** Head of Department of Department of Pharmacy, Guru Ghasidas Vishwavidyalaya for providing the necessary infrastructure that helped me to carry out my project work.

I am immensely thankful to Dr. K. P. Namdeo, Dr. Nishant S. Jain, Dr. Surendra H. Bodakhe, Dr. Shivani Rai Paliwal, and Dr. Vivekananda Mandal for their unconquerable inspiration, consistent guidance, and unending enthusiasm, which has enabled me to complete my dissertation. The inspiration, help, and suggestions received from all the faculty members of the department are beyond evaluation.

It's always a truth which rewards the teachers who have guided a student from the very beginning of their student life. My deepest thanks to Mr. Peeyush Jaishwal, Mr. Vidyadhar Sahu, Miss Apurva Patel who have forever motivated me to go steps ahead in my life.

Nothing can be accomplished without the presence of helping seniors, batchmates and juniors, and hence a special vote of thanks are to be awarded to my seniors Miss Mrs. Richa Patel, Mr. Vaibhav Mathurkar, Ms. Ashmita Das, Mr. Bhupendra, and Mr. Chhatrapal Patel

Friends are the greatest treasures to be cherished for a lifetime and thus my most sincere gratitude to those people who have always only motivated me and have been just a call away.

My most sincere thanks to my friends, Mr. Nirdesh Kumar, Miss Nidhi Kumari, Mr. Venu Anand Das Vaishnav, Km Neha Sharma, Mr. Dharmendra Prasad Kewat, Miss Geeta Singh, Miss Shivani Behra, Miss Urvashi Jain, Mr. Ajeet Kumar Yadav, Mr. Onkar Kesharwani who have always helped to keep my hopes high.

They say, that family is one of nature's masterpieces which I have found to be true and hence my appreciation has to be shelled out to my sisters **Jharna Vaishnaw** my brother-in-law **Vinit Vaishnaw** for giving me their invaluable time and moral assistance. Last but not least my parents **Mr. Shiv ram das Vaishnaw and Mrs. Draupati Vaishnaw** for their support, dedication, and patience and for being the constant motivators in my life. Lastly, a big thanks to all those little souls who have sacrificed their lives for the completion of this study and the million other studies all being carried out all over the world for various scientific discoveries.

Thank You

BHARTI VAISHNAW

CHAPTER 1: INTRODUCTION	
1.1 Introduction	1-2
1.2 Liver	3
1.2.1 Structure	
1.2.2 Lobes	
1.3 Facts about liver	4
1.4 Liver functions	5-7
1.4.1 Blood purification	
1.4.2 Metabolic function	
1.5 Removal of ammonia	8
1.6 A symptom of liver diseases includes	8-9
1.7 Diagnosis	9
1.8 Diagnosis of Drug-Related Hepatotoxicity	10
1.9 Liver disease	10-11
1.9.1 Alcoholic liver disease	
1.9.2 Non-Alcoholic fatty liver disease	
1.10 Hepatitis	11-12
1.11 Jaundice	12-13
1.12 Pediatric liver diseases	13-14
1.12.1 Reye Syndrome	
1.12.2 Neonatal Hepatitis	
1.13 Liver necrosis	14-15
1.13.1 Diffuse necrosis	
1.13.2 Zonal necrosis	
1.13.3 Focal necrosis	
1.14 Risk Factor of hepatotoxicity	15-17
1.14.1 Host factors	
1.14.2 Genetic factor	
1.14.3 Non Genetic Factor	
1.15 Liver Disorder Management	18

1.16 Hepatoprotective Agents	19-21
CHAPTER 2: REVIEW OF LITERATURE	
2.1 Various liver hepatotoxins	22-24
2.2 Silymarin: An effective hepatoprotective agent	24
2.3 4-Hydroxybenzyl alcohol (4-HBA)	25-27
CHAPTER 3: AIM AND OBJECTIVES	
3.1 Aim	28
3.2 Objectives	28
3.3 Plan of work	28
CHAPTER 4: DRUG PROFILE	
4.1 4-Hydroxybenzyl alcohol (4-HBA)	29-30
4.2 Silymarin	30-32
4.2.1 Carbon tetrachloride	32-33
CHAPTER 5: MATERIALS AND METHODS	
5.1 Materials	34
5.2 Experimental Animals	34
5.3 Acute toxicity studies	35
5.3.1 Determination of acute toxicity (LD50)	
5.3.2 Procedure	
5.4 Protocol of the study	36
5.5 Estimation of aspartate amino transferase (AST) or SGOT	36-37
5.6 Estimation of alanine amino transferase (ALT) or SGPT	37-38
5.7 Estimation of alkaline phosphatase (AIP)	38-39
5.8 Estimation of total bilirubin (TB)	39-40
5.9 Estimation of total protein (TP)	40-41
5.10 Superoxide dismutase assay	41
5.11 Catalase assay	42-43

TABLE OF CONTENTS

5.12 Estimation of glutathione	43-44
5.13 Assessment of hepatoprotective activity	44
5.14 Histopathology	45
5.15 Statistical analysis	45
CHAPTER 6: RESULT AND DISCUSSION	
6.1 Serum biochemical parameters	46-49
6.2 Antioxidant assay	49-51
6.2 Histopathological studies	52-54
6.3 Discussion	55-56
