ACKNOWLEDGEMENT

I take this opportunity to express my profound gratitude and deep regards to my guide for her exemplary guidance, monitoring and constant encouragement throughout the course of this project. The blessing, help and guidance given by her time to time have been a constant source of inspiration.

Firstly, I would like to express a deep sense of gratitude to **Dr. PARTHA PRATIM ROY**, Asst. Professor of S.L.T. Institute of Pharmaceutical Sciences. I am also very thankful for his cordial support, valuable information and guidance, which helped me in completion of the study of the project through various stages and thankful to sir for his unweaving faith and total confidence reposed in me.

My sincere and warm acknowledgements are due to our beloved and esteemed **Dr. BHARTI AHIRWAR**, HOD of Department of Pharmacy, GGV for her invaluable advice, creative inputs and organizational support in molding her support.

I am also deeply indebted to all my classmates for their valuable time and extended co-operation. I would also like to take this opportunity to whole heartedly thank all the technicians of our Laboratory and Librarians for their invaluable support.

Lastly, I thank Almighty, my family and friends for their constant encouragement and their valuable support, without which this project would not have been possible. I am grateful for their cooperation during the period of my project.
