

### About the Book

This book is an effort to bring out and provide guidance to the reader, about greatest concern regarding the future financial crisis, hike in unemployment, crash of stock market, financial loss looking through the present pandemic scenario COVID-19. The book basically focuses about the managerial support on personal finance, planning, savings, investment, ponzi schemes and relation between the incomes and our expenditure. Our concern to bring the book is not only professionally, but to hand it to all families to provide them financial outlay in this crisis period.
